The study, conducted by researchers from the University of Maryland School of Medicine, found that men and women are more likely to experience binge eating at odd hours than those in their reproductive years, according to a new study. The study also claimed that women are more frequently attacked by multiple women, including popular figures in the media, and that prevention education is crucial in reducing the number of attacks on women.

Music master AR Rahman believes Indian film industry become a cleaner, less porous environment for everyone. "Being the film industry, we have to be committed to creating a cleaner environment where everyone finds a safe, creative space to bring their best, evolve, and succeed," he said. "Rahman believes, however, said people should be careful before creating a "Internet justice system." Social media offer great benefits but can also spread false information in case of misinformation or misused.

**Wonder Woman 1984 release pushed to 2020**

LOS ANGELES, OCT 23~/~/ Warner Bros has postponed the release date of Gal Gadot's "Wonder Woman 1984" from June 5, 2020 to December 25, 2020. The film was originally released in 2020. "Wonder Woman 1984" is directed by Patty Jenkins, the writer-director of the 2017 superhero film "Wonder Woman." The movie, which stars Gadot as Diana, wonder woman, was released in 2017.

**Wojody Allen won't stop writing despite Hollywood condemnation**

LOS ANGELES, OCT 23~/~/ Woody Allen is at pains with the response to the recent assault allegations levied against him by Dylan Farrow and the filmmaker says he would do about it despite his business in Hollywood. Allen's wife and daughter Mia Farrow accused him of sexually abusing her in the early 1990s, while he was a child star. "I'll write about it unless they do work with him. "Allen told Daily Mail. "It's what's right. if I can't write with my wife, I'll write with others..." According to the New York Post, Allen has been asked about his work with his wife, and he has been historically known for taking advantage of women and children.
