

Nitish sidesteps queries about strain in ties with Modi

PATNA, OCT 16—Bihar Chief Minister Nitish Kumar sidestepped questions about strain in his relations with Prime Minister Narendra Modi after the latter rejected his plea for central university status for Patna University, saying people were free to draw their own conclusions. "Media and people are free to draw their own conclusions. I have nothing to say on this," Kumar, who is also the JD(U) national president, told reporters after his weekly Lok Samvad programme during which he interacted with public.

Speaking at an event to celebrate 100 years of the Patna University on Saturday, Kumar had

sought central university status for it in keeping with public sentiments. However, responding to Kumar's plea, Modi, who promised Rs 10,000 crore and autonomy to 20 universities to publicise the two parties, which came together after over four years of estrangement. "The EC must not only be impartial but also to be so. Why have the dates for Gujarat elections not been announced? We need credible answers," Verma had tweeted this morning.

The tweet placed Verma in the company of opposition parties, which have accused the BJP of pressuring the Election Commission to delay the announcement so that its government could an-

nounce sops for the state before the model code of conduct kicks in. Kumar, however, steered clear of the controversy and said, "I have not seen his tweet, how can I comment?"

Asked about the Congress's reported plans to elevate Rahul Gandhi as its president, Kumar said, "He is in any case the de facto leader of the party. If we look at the party's history, any other contender for the post seems unlikely. This is an internal matter of that party." The chief minister, however, took a swipe at the Congress for the continued suspense over Gandhi's elevation, saying "We had heard of this (Rahul becoming Congress president) even

when we were together in the Grand Alliance." When asked whether such a move could boost the Congress's prospects in the 2019 Lok Sabha polls, Kumar said it was too early to say anything but as of now there was no serious challenge to Narendra Modi.

Kumar also dismissed RJD supremo Lalu Prasad's charge that he had decided to break away from the Grand Alliance after his name cropped up in a Sriyan scam so the Centre saved him. "They (Lalu and the RJD) should look at themselves and ponder over where they stand today and why they are only reaping the fruits of what they have sown," Kumar said. (PTI)

Rohingya refugees' terror links can't be ruled out: Media advisor to Hasina

AGARTALA, OCT 16—The possibility of terrorist links of a section of Rohingya refugees, sheltered in Chittagong, could not be ruled out, a top official of Bangladesh said today and asserted that his country would not allow any group to use its soil for terrorist activities.

Iqbal Sobhan Chowdhury, the media advisor to Prime Minister Sheikh Hasina, said that Bangladesh had already announced its policy of zero tolerance towards terrorism. Chowdhury, who inaugurated a cultural event here, said Bangladesh expected India to take a stand on the "ethnic cleansing" of Rohingya Muslims in Myanmar. "We have given shelter to 10 lakh Rohingyas from Myanmar on humanitarian grounds despite much constraint. They were forced to leave their country following an ethnic conflict.

So, a sense of retaliation might prevail among a section of the refugees. We cannot rule out the possibility of their involvement with any terrorist outfit. But, we will not allow any terrorist group to use our soil. Our Prime Minister Sheikh Hasina has announced zero tolerance towards any kind of terrorist activity," he said. Asked if Pakistani spy agency ISI had penetrated the Rohingya refugees, Chowdhury said that the country has its "own agenda." "They (Pakistan) cannot forget their defeat in 1971 (Bangladesh Liberation War). So they might try to penetrate among the Rohingyas, but we are not aware of it. Even if ISI penetrates, it would be unable to survive because the Bangladesh government is against this kind of activity," he said. Chowdhury said though the United Nations (UN) has condemned the torture of Rohingyas Muslims in Myanmar and called it "ethnic cleansing," India, China and Russia have maintained silence on the issue. "We do not want that the relations between India and Myanmar become bitter on the (Rohingya) issue, but we expect India to take a stand for the solution of the problem," he said. Bangladesh's economy is feeling the impact of the Rohingyas' stay and it wants the refugees to return to their homeland in Rakhine state in Myanmar and be properly repatriated. "Can we force them to return if the situation is not normal? The Rohingyas were brutally tortured, their properties destroyed and they were molested and raped," he said. On the Indo-Bangladesh relations, the official said those were very cordial.

Centre to help Bihar to improve education sector: Kushwaha

PATNA, OCT 16—Union Minister and Rashtriya Lok Samata Party (RLSP) chief Upendra Kushwaha today said the Centre would provide all help to Bihar government to improve the education sector in the state.

"We want to tell the Bihar government that the state has lagged behind for past 37 years in improving education sector. It is difficult to rectify the mistakes of 37 years but this has to be rectified and corrected for future generations for which we are giving (the state gov't) 37 months time," he said.

The Centre would provide all possible help and assistance to Bihar government in bringing substantial improvement in education sector in the state, the Union Minister of State for Human Resource Development said at his party's much publicised Shiksha Sudhar Sankalp Mahasammelan at Gandhi Maidan here.

Chief Minister Nitish Kumar, who is of the view that any development has to be better in education field, had admitted that the state has lagged behind on education front, Kushwaha claimed adding that "this includes the hope that things would be better in education field. Degeneration in education sector crept in Bihar since 1980 after which successive governments' brought changes in policies like unaided education policy (vitr hit shiksha niti) that virtually destroyed the education system in the state," he said.

Besides, the state government should ensure that those institutions which get its aid must follow reservation policy in the state, the Union Minister said. He said that if Navodaya Vidyalayas and Kendriya Vidyalayas can be run successfully, then why can't the state government provide better education at its schools, he ques-

tioned besides asking the state government to bring a mechanism to regulate private schools in the state. "We (both Centre and state) need to work in tandem for the improvement of education system in the state as this is the first time in 27 years when the same dispensation rules both at the Centre and in Bihar," Kushwaha said.

The RLSP chief also admitted to pledge to his workers and leaders to discharge their duties as citizen to improve the lot of education institutions of the state. Party's national working president Nagmani, Union Lok Sabha member Ravi Kumar Sharma, party legislator Sudhanshu Shekhar, MLC Sanjeev Shyam Singh and other party leaders also participated in the sankalp mahasammelan. Will keep raising demand for central univ status for PU: Nitish

PATNA, OCT 16—Bihar Chief Minister Nitish Kumar today said it was his duty to raise the issue of central university status to century-old Patna University (PU) "again and again" whether the Centre accepts it or not.

Prime Minister Narendra Modi had not entertained the CM's request on the issue during his visit here on Saturday to attend the centenary celebrations of PU. "Patna University holds a special place in the hearts and minds of the people of Bihar. The demand for a central status is not new. At the centenary celebrations on Saturday, I had only voiced a long cherished wish of the people of the state," Kumar told reporters after the weekly Lok Samvad (Public Interaction) programme.

Minutes after Kumar's plea for central status to PU, Modi had said the central status was "a thing of the past" and called upon Patna University to avail of the Centre's scheme to make at least 20 varieties in the countries world class with a financial assistance of Rs 10,000 crore.
