Peace talks between Mizoram govt and HPC(D) to be held in March

AIZAWL, FEB 28 /--/ The fourth round of peace talks between Mizoram government and the Hmar People's Convention (Democratic) militants will be held in March, a senior state Home department official said today. The fourth round of talks earlier scheduled to be held during mid-February was postponed as the home department had to approach Law and Finance departments, additional secretary in the home department, Lalbiakzama said. He said that we have been pushing for clearances from the state Law department and the finance department. "The framework agreement being drafted in the talks would need the nod of the state Law and Judicial department while proposed expenses for rehabilitation package of the HPC(D) cadres once they come overground would also need approval of the Finance department," Lalbiakzama said. The current talks between the state government and the Manipur-based Hmar outfit began on August 10 last year and had progressed steadily. The HPC(D), which had been demanding a separate autonomous district council for the Hmar community comprising north eastern part of the state adjoining Manipur recently abandoned its demand and agreed to hold talks on giving more power and autonomy to the Sinlung Hills Development Council, which was formed after the erstwhile underground HPC signed agreement with the state government in 1994.

Ruckus in Odisha Assembly over distress vegetable sale

BHUBANESWAR, FEB 28 /--/ Opposition Congress members today created pandemonium in Odisha Assembly over alleged distress sale of vegetables by farmers across the state, forcing multiple adjournments of the House. Congress members raised the issue during Zero Hour and demanded compensation for the farmers resorting to distress sale of vegetables due to lack of cold storages and effective marketing link in tribal dominated districts like Keonjhar, Koraput, Rayagada and Bargarh. Led by chief whip Taraprasad Bahinipati, they created ruckus in the house demanding reply from chief minister Naveen Patnaik, agriculture minister and cooperation minister who looks after cold storages.

They rushed to the well of the House and shouted slogans against the government. Some of them also tried to climb the Speaker's podium. Bahinipati said that the farmers of Keonjhar district on Monday dumped qunitals of fresh tomatoes on the road in front of the Collector's office after being unable to sale the produces at proper price. They even could not get 50 paise per kg of tomatoes in Keonjhar and therefore preferred to dump them on roads, Bahinipati said adding that farmers of Rayagada, Koraput and Bargarh districts had also faced similar situation earlier. They also alleged that the financial backbone of farmers has been broken due to demonetisation. Speaker Niranjan Pujari's repeated calls to keep the House in order fell in deaf ears. Unable to run the House, Pujari adjourned the house twice till 3 pm. When the House resumed at 3 pm, the similar situation continued and the Speaker adjourned the house for the day. Except the Question Hour, no proceedings could be carried out because of the melee.

Bihar CM trashes BJP demand for CBI probe in paper leak case

PATNA, FEB 28 /--/ Bihar chief minister Nitish Kumar today trashed the BJP-led Opposition's demand for CBI probe into the Bihar Staff Selection Commission (BSSC) exam paper leak.

Nitish stressed that an "impartial" police probe into the case would leave nobody, whose name figures in the clerical grade examination, untouched. He also ridiculed the BJP for accusing the government of "shielding wrongdoers" including some ministers and ruling party legislators in the case as well as in the matter involving a JD-U MLA and absconding Congress leader in the alleged sexual exploitation of a minor girl. "When the police is investigating the case impartially what role the government has in it", he questioned.

Mocking the BJP, Kumar said he would ask them to move a private member bill for Amendment in IPC and CRPC in the Assembly to get power of investigation for themselves in such cases." "We will cooperate to pass such an Amendment to IPC and CRPC and if the President gives consent to it, we would love to make the BJP leaders of their choice as investigating officer in cases like BSSC paper leak and others," he said. BJP and its NDA allies were not present in the House at the time the CM was speaking as they had staged walkout alleging rise in scandal and corruption under the present dispensation. Nitish, who is heading Grand Alliance coalition government, was speaking on motion of thanks to Governor's address to a joint sitting on February 24. Facing attack from BJP in both Legislative Assembly and the Legislative Council in connection with BSSC exam paper leak and those connected with suspended JD-U MLA Mewalal Chaudhary and absconding Congress leader Brajesh Pandey, Nitish gave point by point reply to all allegations. On paper leak in the clerical grade exam conducted by Bihar Staff Selection Commission (BSSC) on February 5, the chief minister said the government took immediate cognisance of the reports of leak and on the basis of the report of state police chief and recommendation of chief secretary, cancelled the exam and ordered a police probe.

JD-U removes Bihar unit vice president

PATNA, FEB 28 /--/ The ruling Janata Dal (United) today removed the party's Bihar unit Vice President Satish Kumar from the post for alleged anti-party activities.

"Satish Kumar has been removed from the post of JD-U state Vice President," state party chief spokesman Sanjay Singh said. Along with Satish Kumar, another rebel leader Sanjay Mandal was removed from the post of state organisational secretary for the same reason, he said. Satish Kumar, a former MLA from Nalanda, has been making statements against Chief Minister and JD-U national president Nitish Kumar regularly.

On February 2 last, he held a press conference and accused Kumar of keeping "sycophant advisors." His scathing comment on Kumar had come in the wake of JD-U deciding to keep away from Uttar Pradesh elections. Satish Kumar, who hails from Nalanda district, has been at odds with the chief minister in the past and had been removed from the party earlier too.

7400 people to be recruited in Assam police

GUWAHATI, FEB 28 /--/ Assam government today said about 7,400 people will be recruited soon for the state police department.

"We do not have sufficient number of sub inspectors and constables in Assam Police. We are hiring 2,400 people soon. The in the next phase another 5,000 people will be hired," parliamentary affairs minister Chandra Mohan Patowary said. It is the state government's plan is to make the police force best in the country, he said replying on behalf of chief minister Sarbananda Sonowal, who also holds the home portfolio, during the discussion on cut motion.

"As per UN norms, there should be one policeman against 400 civilians. Assam is nowhere near this figure. Sarbananda Sonowal is trying for that, but this cannot be done in six months or one year.

A senior JD-U leader had sent SMS to arrested BSSC chairman, alleges Sushil

PATNA, FEB 28 /--/ The BJP today demanded action against senior JD-U leaders, ministers and MLAs of the ruling Grand alliance for sending recommendation to arrested chairman of BSSC seeking favour for their candidates.

Senior BJP leader Sushil Kumar Modi while talking to newspersons outside Legislative Council without naming the Assembly Speaker Vijay Kumar Chaudhary alleged that a senior JD-U leader had sent SMS to arrested chairman of Bihar State Service Commission (BSSC) Sudhir Kumar in favour of some candidates. Sushil distributed a print copy of purported details of SMS allegedly send by PS (private secretary) of the Speaker to the BSSC chairman on January 9 and January 20. He did not named the Speaker but referred him as senior leader of JD-U. But, the print copy of the SMS mentions name of the Speaker's PS. When the Assembly Speaker was contacted for his reaction to the BJP leader's accusations against him, Chaudhary said he would comment only after acquiring information on it. While replying to motion of thanks on Governor's address to the joint sitting on February 24, chief minister Nitish Kumar pointed out that the print copy of the SMS details distributed by a senior BJP leader against Speaker mentions exam conducted for post of ANM (Auxiliary nurse midwife) while the party is talking about clerical grade test in which paper was leaked. Nitish made a scathing attack at the BJP for trying to "put the government on dock" on every issue by trying to create sensation through "baseless" statements.

The chief minister made it clear that police is probing the paper leak case and action would be taken against the guilty. BJP raised in both the Houses the paper leak issue and arrest of BSSC chairman but police not arresting suspended JD-U MLA Mewalal Chaudhary in connection with alleged irregularities in appointment in Agriculture University in Bhagalpur and absconding Congress leader who has been booked in a case of alleged sexual exploitation of a minor girl. On ruling coalition asking them to reveal names of ministers and MLAs in touch with arrested BSSC chief, Sushil said: "Are we the probe agency? This should be made public by the government." The BJP leader also showed copies of two purported letters of Sudhir Kumar one written to the chief secretary A K Singh and other to the State government.

Bihar Governor Ram Nath Kovind along with Chief Minister Nitish Kumar paid rich tributes to the first President, Dr. Rajendra Prasad on his 54th death anniversary at Samadhi Sthal in Patna.

UNC to oppose Cong in Manipur polls

IMPHAL, FEB 28 /--/ The United Naga Council (UNC) which has been continuing a blockade in two national highways in Manipur since November 1, has said it would oppose Congress in the Assembly elections to be held on March 4 and 8.

The UNC would oppose chief minister O Ibobi Singh and his party, Congress, in the polls and support Naga Peoples' Front (UNF) in the coming election, the Naga body said in a statement last evening. The UNC also asked all Nagas in the state to support candidates of NPF which has four members in the outgoing Assembly.

The UNC has imposed a blockade on NH2 and NH 37 - two lifelines of the state - since November 1 last year to protest against the state government's decision to create 7 new districts which, the UNC said, would bifurcate ancestral lands of Nagas in Manipur.

Supply of essential commodities to Manipur has been severely hit due to the blockade. UNC also criticised the Ibobi Singh government for arrest of its president Gaidon Kamei who was taken into custody on November 25 in connection with the blockade. Meanwhile, a bomb was recovered here today ahead of the visit of Congress leader Rahul Gandhi for campaigning for the Manipur Assembly elections. Police said the bomb was found near the gate of a residential building around 6 am in Khongman Bashikhong Turel Mapal area in Imphal East district. The bomb was later defused.
