

# Had no option but to walk out of grand alliance: Nitish

PATNA, JULY 31 /-/- Bihar chief minister Nitish Kumar today said he had no option but to walk out of the grand alliance as continuing in it would have meant compromising with corruption. "There were corruption charges and cases were filed by the CBI (against Lalu Prasad and family). I had only told them to come out

with proper answers. Instead they made fun of me saying whether I was a CBI official or the police," Nitish told a press conference. The chief minister said that he had never sought a clarification but wanted them (Lalu Prasad and family) to answer the queries raised regarding corruption. "Laluji did not give any

clarification on corruption charges. How could I remain silent as I talked about zero tolerance on corruption? Now I have a feeling that they did not have a proper answer," he said. Nitish also spoke highly about Prime Minister Narendra Modi saying "N-body has the strength to compete with Modi ji". "Noting that the RJD had made objectionable statements against Modi, he said, "I had tolerated every criticism for the sake of the mahagabandhan. But none from the JD-U had said anything against RJD's supreme leader."

On secularism, the JD-U president said that he did not need any certificate from anybody on the issue. "What does secularism mean? Does secularism mean making property worth thousands of crores? No. On the issue of Vice-Presidential election, Nitish said that the JD-U will support the candidature of Gopal Krishna Gandhi. "We have already expressed our word to him," he said.

GUAHATI, JULY 31 /-/- Prime Minister Narendra Modi will pay an one-day visit to Assam on Tuesday to discuss a permanent solution to the flood problem in the state every year. Earlier during the day, Congress leader and former chief minister Tarun Gogoi said Modi is paying a "token visit to the state only after facing severe criticism from all quarters as he visited Gujarat, but neglected Assam."
