

International Whale Shark Day observed at JNRM

PORT BLAIR, AUG 31/- International Whale Shark Day was observed by the Nature club, Department of Zoology, JNRM on Thursday to create awareness about 'gentle giant of ocean'. The chief guest, Dr. N. Francis Xavier, Principal, JNRM enlightened the gathering about the wonder of nature, diversity and congratulated the students for showing their interest and efforts in conserving marine diversity. An invitee lecture was delivered by Dr. Binresh K. K., Scientist D ZSI, Port Blair through power point presentation. He shared his experience and knowledge about whale shark and shark diversity and highlighted that indiscriminate killings of the apex predator of the seas elicits grave consequences for the marine ecosystem. Earlier welcoming the gathering Dr. V.K. Sahu, Assistant Professor in Zoology mentioned that awareness programs of this kind will help in better protecting this IUCN red listed keystone species. A quiz on whale shark was also organized by the club among the students. The programme was compared by Kusum Mandal, B.Sc. Zoology II year. Vote of thanks was proposed by Mohsina, the Executive Member, The Nature Club, JNRM.

CIARI's agromet bulletin for farmers

PORT BLAIR, AUG 31/- The Central Island Agricultural Research Institute has released the agromet bulletin for farmers for the period from Sept 1 to 5, 2018. In the bulletin, CIARI forecast cloudy weather with moderate rainfall in the next five days. In South Andaman, 85 mm of rainfall and in North Andaman, 99 mm of rainfall and in Nicobar Island 85 mm of rainfall is expected during the period. The maximum temperature will be 29 to 31°C with minimum temperature of 24 to 25°C, whereas the maximum and minimum relative humidity is expected to be in the range of 80 to 83% and 76 to 80%, respectively in Andaman and Nicobar Islands. Wind speed of 18 to 34 kmph is expected from the West. Farmers in South Andaman have been requested to do hand weeding or use cono weeder in the rice main field for incorporation of weeds in the soil, sow the vegetable seeds of okra @ 8 to 10 kg/ha in sloppy areas in terraces and provide at least 16 hrs light during cloudy weather to poultry and back yard rearing by providing electric bulbs in the shed during night. In Nicobar, farmers have been advised to collect the fallen coconut and arecanut from the garden to avoid germination of nuts in the field itself and provide at least 16 hrs light during cloudy weather to poultry and back yard rearing by providing electric bulbs in the shed during night.

8-yr-old dies after school gate falls on her

GORAKHPUR (UP), AUG 31/- An eight year-old girl died after the gate of her school fell on her in Baitalpur area of Deoria district today, police said. Harshita, a student of upper KG in Career Academy school was entering the building when the accident occurred in the morning. The victim's father, Santosh Mishra, who works as a driver in the school took her to hospital where doctors declared that she had died. Santosh informed police that the school manager, Anup Kumar Yadav had got the gate constructed six months back using cheap material. Despite his complaints, no action was taken to fix the gate, Mishra said as he blamed Yadav's "negligence" for his daughter's death.
