

'Padmavati' threatens tarnishing country's image: Cong

JAMSHEDPUR, NOV 27 /- The Congress has termed the threats of the physical harm to 'Padmavati' director Sanjay Leela Bhansali and actor Deepika Padukone as 'Taliban' and said such threats have tarnished the image of the country. Some leaders and groups have reportedly announced a bounty for beheading Bhansali and the movie's female lead Deepika. Historians are, however, divided on whether Rani Padmavati ever existed. "If you do not like the film, don't see it. But violent threats issued to the actor and director of the movie have tarnished the image of the country abroad," AICC spokesman Dr Ajay Kumar said at a press conference. "We have seen and read statements that only indicate that India has become Taliban," Kumar said last evening.

To a question on some states banning release of 'Padmavati', he said the Central Board of Film Certification (CBFC) is the authority to take a call over release of the movie. Kumar was recently nominated as the president of the Jharkhand Pradesh Congress Committee. Meanwhile, members from various film associations have come forward to raise concern over the state of creative freedom in the country amid protests from across the country, stopped shootings for 15 minutes yesterday and participated in the protest, 'Main Azaad Hoon? (Am I free?)' in 'Film City' here.

Many Rajput groups have been in arms against the film, alleging that it distorts history by featuring a romantic dream sequence between Padmavati and Alauddin Khilji's character, a claim repeatedly denied by Bhansali. The makers of 'Padmavati' have already deferred its release from December 1 till further notice. Filmaker and IPTDA convener Ashoke Pandit said such protests were not just limited to 'Padmavati' but were becoming a trend.

"This attack on the freedom of expression, the entire film and TV industry. We are fearful and shocked that we are not getting any kind of support from any quarter of the country except from film lovers," Pandit said. "Every three months a film is getting banned. The fear in which the industry is functioning, we are protesting against that. Don't take us for granted." 'Padmavati', featuring Deepika Padukone, Shahid Kapoor and Ranveer Singh in the lead roles, has been facing the ire of various Rajput groups and political leaders. The BJP-led states such as Rajasthan, Uttar Pradesh, Madhya Pradesh and Gujarat have already expressed reservations about the film. "Let us write and make films the way we want, because if this trend starts, then Karni Sena and the like will start deciding how scripts will be written." All the makers here are scared of this trend. It's our right to make films, if you want to watch, go ahead. If not, get a stay order from the court," he said when asked about Karni Sena - the Rajput group which is spearheading the protest.

Sena questions claim of fall of terror activities in Kashmir

MUMBAI, NOV 27 /- The Shiv Sena today questioned the government claim that terror activities have come down in Jammu and Kashmir and said terrorists were now killing jawans to create fear among the youth in Jhila. Referring to the killing of Territorial Army jawan Irfan Ahmed, the Sena said it is a "new technique" aimed at demoralising and creating fear among the Kashmiri youth.

The Sena said the brutal killings of jawans is a Pakistani game plan. "All this is the 'Mann ki baat' of Pakistanis. Will the person, who does his 'Mann ki baat' every month on a Sunday will realise this?" the Sena questioned, alluding to the radio programme hosted by Prime Minister Narendra Modi. It also said that the release of Mumbai attack mastermind Hafiz Saeed from detention in Pakistan may give a new lease of life to militancy in the region.

"Soldier Irfan Ahmed was abducted and killed in Shopian district. Terrorist organisations are adopting this technique to demoralise the Kashmiri youth working in the Army and instil fear among them," the Sena said in an editorial in party mouthpiece 'Saamana'. According to the Army, militants abducted and killed the 23-year-old Territorial Army jawan. His bullet-riddled body was found in an orchard in Watmullan Keogram area in Shopian district of south Kashmir on Saturday. The latest killing was part of a technique being adopted by terror outfits to kill Kashmiris who have joined the Army or paramilitary forces, the Marathi daily said.

When asked to comment on the recent killing of an armyman on leave, he said the Centre should be asked the question as it claimed peace had returned to Kashmir after demoralisation. Abdullah deprecated the incident where two students did not get up when the national anthem was being sung in Rajouri district a few days ago. Honour to the national flag and national anthem is most honourable, he said, adding the government should take action against them until they apologised and gave an undertaking that they would not repeat it.

Chandigarh rape case: Prime accused attempts suicide in jail

CHANDIGARH, NOV 27 /- An auto-rickshaw driver, the prime accused in a rape case, allegedly attempted suicide inside a jail today by stabbing himself with a "piece of broken glass", police said. Mohd Irfan (29) was arrested on Friday, almost a week after allegedly raping a 22-year-old woman along with two accomplices. "He was taken to the Government Medical College and Hospital (GMCH) here, where his condition was stated to be out of danger," Station House Officer (SHO) Inspector Ranjodh Singh said. Irfan, who was lodged in the Buralai jail here, allegedly broke a mirror outside the barrack, and used it to stab himself with a "piece of broken glass", he said.

After other inmates raised an alarm, Irfan was taken to the GMCH in a van from the premises and later to the GMCH in Sector 32 here, he said. He will be booked for attempt to commit suicide, SHO said. Irfan, a migrant from Uttar Pradesh, resided in Zirakpur near here. The Chandigarh Police on Saturday arrested two accomplices Kismat Ali and Mohammad Khatib, both 21 years old, from Prades. Prades's Amethi and Faizabad districts, respectively.

The police had said yesterday that all three accused had planned the rape of the woman, who hails from Dehradun, on November 17. She had taken the auto-rickshaw, after attending a stenography class, from Sector 37 here.

France unhappier over Hafiz Saeed's release

NEW DELHI, NOV 27 /- After the US, France has also conveyed its anguish to Pakistan over the release of terrorist and attack mastermind Hafiz Saeed, who heads the UN-proscribed outfit Jamaat-ud-Dawah (JuD). French diplomatic sources said that Paris has conveyed its deep concern to Pakistan over the release of Saeed, who the outfit was listed as a top target by the Sanctions Committee of the UN. They said France and India will continue their "relentless" efforts to combat terrorism, and enhancing cooperation to deal with the menace will be an important aspect of French President Emmanuel Macron's visit here in early 2018. In a strong reaction, India on Friday expressed outrage over Saeed's release, calling it an attempt by Pakistan to maintain support for terrorism and its continuing support to non-state actors.

On Saturday, the US also demanded immediate re-arrest and prosecution of Saeed, warning Islamabad that there would be "repercussions" for bilateral ties if it fails to take "decisive action" against the notorious terrorist. The banned JuD head, who carries a USD 10 million American bounty on his head for terror activities, walked free on Friday after the Pakistan government decided against detaining him further in any other case. He was under house arrest since January this year (PTI)

AAP govt reconstituting Waqf Board by violating Waqf Act: BJP

NEW DELHI, NOV 27 /- A delegation of BJP legislators today met Lt Governor Anil Bajaj and sought his intervention in the matter related to reconstitution of the Delhi Waqf Board by the Arvind Kejriwal government. The delegation also complained to the LtG that "ineligible" persons were being nominated to the Board. Section 14 of the Waqf Act stipulates nomination of a Muslim person having professional experience in town planning, business management, social work, finance or revenue, agriculture and development activities, to the Board by the government. "But it has come to our notice that a woman politician without any formal or professional degree has been

nominated as a member of the Board," Gupta alleged. Section 14 also stipulates that if it fails to nominate a scholar in the Shia and Sunni Islamic theology. "This rule is being violated as no scholar has been nominated to the Board," the BJP legislators claimed. The Delhi Waqf Board comprises seven members, who elect the chairman. Khan was elected as a member of the Board last week. The AAP MLA was chairman of the Waqf Board for 6 months last year. He had resigned amid allegations of mismanagement during his tenure and raids on the office of the Board by the Anti-Corruption Branch in September 2016. (PTI)

Kargil records coldest night of season

SRINAGAR, NOV 27 /- Jammu and Kashmir experienced the coldest night of the winter so far as the mercury there witnessed a steep fall and settled over 10 degrees below the freezing point, even as most places in the valley continued to record sub-zero minimum temperature. Kargil recorded a low of minus 10.4 degrees Celsius, nearly six degrees down from the previous night's minus 4.6 degrees Celsius, an official of the Meteorological Department here said. He said this was the lowest temperature of the season so far in the front range. The nearby Leh town recorded a low of minus 8.5 degrees Celsius up from minus 10.6 degrees Celsius yesterday, the official said. He said Leh and Gulmarg were the only places in Kashmir division which registered an increase in the night temperature. Gulmarg the famous ski-resort in north Kashmir recorded a low of minus 1.5 degrees Celsius up from minus 1.6 degrees Celsius the previous night.

Hoist national flag in Lal Chowk before PoK: Farooq to Centre

JAMMU, NOV 27 /- In yet another controversial remark, Jammu and Kashmir's former chief minister Farooq Abdullah today dared the Centre to hoist the national flag at Lal Chowk in the heart of Srinagar city before talking about unfringing it in PoK. Abdullah's remarks drew criticism from the BJP, with Deputy Chief Minister Nirmal Singh saying the National Conference leader was strengthening the separatists and militants. He said the tricolour was being hoisted in all parts of the state, including Lal Chowk. Abdullah, who had recently claimed Pakistan Occupied Kashmir cannot become a part of India, said his only told the Centre to hoist the flag about PoK.

Indian doctors perform 'first ever' kidney transplant in Tanzania

NEW DELHI, NOV 27 /- A team of doctors from India, in collaboration with a hospital in Tanzania capital Dar es Salaam, has performed the "first ever" kidney transplant in the African country. According to a statement issued by the Delhi-based BLK Super Speciality Hospital, the surgery was conducted at the Muhimbili National Hospital on a 30-year-old Tanzanian woman, who was suffering from an end-stage kidney disease. "It is a matter of great honour that the first ever kidney transplant in Tanzania was performed by a team of Indian doctors," said Nareesh Kapoor, executive director of the BLK Super Speciality Hospital. "We have established a credible linkage with African countries through a number of collaborative programmes, with an objective to build healthcare capacities locally in countries such as Tanzania. This surgery will certainly boost the Indo-African relationships in the field of healthcare," he added.

Indian doctors perform 'first ever' kidney transplant in Tanzania

NEW DELHI, NOV 27 /- A team of doctors from India, in collaboration with a hospital in Tanzania capital Dar es Salaam, has performed the "first ever" kidney transplant in the African country. According to a statement issued by the Delhi-based BLK Super Speciality Hospital, the surgery was conducted at the Muhimbili National Hospital on a 30-year-old Tanzanian woman, who was suffering from an end-stage kidney disease. "It is a matter of great honour that the first ever kidney transplant in Tanzania was performed by a team of Indian doctors," said Nareesh Kapoor, executive director of the BLK Super Speciality Hospital. "We have established a credible linkage with African countries through a number of collaborative programmes, with an objective to build healthcare capacities locally in countries such as Tanzania. This surgery will certainly boost the Indo-African relationships in the field of healthcare," he added.
