CBI cracks Kotkhai rape-and-murder case, arrests woodcutter

NEW DELHI, APRIL 25 /-- / The CBI has arrested a 25-year-old woodcutter with a criminal past in connection with the rape-and-murder of a teenaged schoolgirl in the Kotkhai area of Shimla, after his DNA sample matched the genetic material found on the body of the victim and the crime scene, officials said today.

The findings of the agency will bring relief to the families of five people arrested earlier by the state police as the CBI has not found any evidence of their involvement in the gruesome rape-and-murder in July last year, which had become a rallying point against the then Congress government in Himachal Pradesh. The investigation which went like a crime thriller involved a team of 40 CBI officials who camped in the area around the crime scene for nine months in extreme secrecy collecting intelligence from local people, digging records of people with criminal records and following various leads which took them to Kashmir and Uttarakhand as well.

The probe, which was taken over by the agency on July 22, 2017, on the orders of the Himachal Pradesh High Court, was monitored by the top brass of the agency. "The Director (of) CBI has been monitoring the progress of the case from day one.

He expressed the satisfaction at the work done by the investigative team and forensic experts of the CFSL of the CBI for solving a sensitive and difficult case," CBI spokesperson Abhishek Dayal said here. After ruling out involvement of five suspects arrested by the state police using call records analysis, narco-analysis, polygraph tests and corroboration of their alibi, the CBI had started the probe afresh, they said.

The agency started work on multiple fronts -- some teams worked to develop rapport with locals trying to get intelligence while others did combing operation of the forest area in concentric circles, the officials said.

J&K Guv promulgates ordinance on use of video-conferencing for recording of evidence

JAMMU, APRIL 25 /--/ Jammu and Kashmir Governor N N Vohra has promulgated the Code of Criminal Procedure (Amendment) Ordinance-2018 for the use of video-conferencing facility for "recording of evidence" in criminal cases in the state, a Raj Bhawan spokesman said today. Video-conferencing facilities have been provided in all 12 jails and 12 district court complexes and are being operationalised in a phased manner. The provisions of the existing Code of Criminal Procedure provide that all proceedings in a criminal trial are required to be taken in presence of the accused which would result in prolonged trial due to non-production of accused for one or other reason, the spokesman said. The Code of Criminal Procedure, 1973 (Central Act), which is applicable to the whole of India except the State of Jammu and Kashmir, has been amended by the Code of Criminal Procedure (Amendment) Act, 2008 (Central Act No.5 of 2009) wherein it has been amended to provide for recording of evidence through video electronic means. The introduction of the concept of securing the accused through video-conference from the jails as an alternative mean would help in the speedy disposal of criminal trials, besides being cost effective and helping in preventing law and order situations in certain cases.

Siddaramaiah-BJP face off over north Indian "imports" jibe

BENGALURU, APRIL 25 /--/ Mocking at the Karnataka BJP unit, chief minister Siddaramaiah today called Prime Minister Narendra Modi and his Uttar Pradesh counterpart Yogi Adityanath "North Indian imports" in the May 12 election campaign and said it had no leaders in the state.

Siddaramaiah also said BJP's chief ministerial candidate B S Yeddyurappa had been reduced to a "dummy." "@BJP4Karnataka by waiting for North Indian imports like PM Modi, UPCM Adityanath is admitting they have no leaders in the state. They have reduced their CM face @BSYBJP to a dummy," the Karnataka chief minister tweeted. He further said the Prime Minister may come and go, but here it is a battle between him and Yeddyurappa, and the" saffron party knows who is winning in the May 12 Assembly polls.

In a blistering attack over Siddaramaiah's "imports" comment, the BJP said his attempt to divide North and South India is "disgusting" and added it understands his anxiety of being ""rejected" by his constituents. "Imports? How much low can you stoop Mr. CM? Your attempt at North-South divide is disgusting. But we understand your anxiety. While you are rejected by your own constituents, PM Modi has a pan India appeal. It's time you learn a thing or "two about leadership when he's here," BJP tweeted.

Indirectly hitting out at Sonia Gandhi, the BJP asked Siddaramaiah what he had to say about occupants of 10, Janpath, when he is calling Modi and Adityanath as North Indian imports. "Well, speaking of imports, what do you have to say about the occupants of 10 JP? We can understand your frustration & desperation Mr. CM. When you realize PM Modi is more popular than you are even in your own Chamundeshwari, these kind of outbursts are natural," the BJP tweeted. The BJP also targeted Karnataka Congress in-charge K C Venugopal by tweeting: "Now, we think it is time we teach CM definition of 'Import': bring (goods or services) into a country from abroad."

"For ex: when you get Italian toiletries for your Bengaluru bathroom, it's import. Not 'Import': When you get rape accused KC Venu from Kerala as Karnataka Incharge," it tweeted. Venugopal, who had allegedly sexually assaulted the prime accused in the solar panel scam case Saritha Nair in Kerala, had earlier dismissed the charge, saying he was in public life for the last 40 years and that there was no black spot in his political career.

Rahul will never succeed in becoming PM: Maurya

AMETHI, APRIL 25 /--/ Rahul Gandhi has "managed" to become the president of the Congress because of its "dynastic politics" but he will "never" succeed in becoming the Prime Minister, UP deputy chief minister Keshav Prasad Maurya said here today attacking the Congress chief in his constituency.

Maurya alleged that the Congress was running a "contest" to vilify Prime Minister Narendra Modi across the country. Accusing the Congress and Nehru-Gandhi family of telling lies to the people of Amethi over the past 60 years, Maurya said the constituency is still deprived of basic facilities and it should prepare to give a "farewell" to Rahul Gandhi in the 2019 general elections. He was speaking after laying the foundation stone and inaugurating schemes worth Rs 118 crore for Amethi town here. "Manmohan Singh government was in office for ten years but Rahul did nothing for the constituency," the BJP leader said, adding "the condition of the constituency is very bad". "Rahul Gandhi has become the president of the party because of the dynastic politics prevailing in Congress but he will never be able to remove Narendra Modi and become the prime minister of the country," Maurya said. "Congress seems to be running a contest all over the country on how to stop Modi ... but they will never succeed in this...," he said, adding that Rahul Gandhi "who has challenged the prime minister to speak in Parliament cannot give a speech for 15 minutes from any dias".

"You can welcome Rahul Gandhi for the time being as he is your representative but remain prepared to give him a farewell in 2019 and ensure that lotus blooms in Amethi," the BJP leader stated. Charging the SP, BSP and Congress with being "anti-farmers, anti-Dalit and anti-poor", he said "after coming to power they think only about their families and not about the needy". Criticising BSP president Mayawati, he alleged she is "anti-dalit" and has only been "selling" their votes.

Fadnavis govt good for Nothing, says Uddhav

MUMBAI, APRIL 25 /--/ Shiv Sena president Uddhav Thackeray today lashed out at the Maharashtra government led by chief minister Devendra Fadnavis, saying it was "good for nothing", and demanded a separate home minister for the state. At present, Fadnavis holds the home portfolio.

Thackeray's comments came after a local Sena leader, Sachin Sawant, was shot dead on April 22. Prior to it, two Shiv Sena leaders were shot dead earlier this month in Ahmednagar district after the result of a civic bypoll there was announced. "The Fadnavis government is good for nothing. The situation here is worse than that in Bihar. It is now time the government appoints a separate Home minister for the state," Thackeray said, addressing reporters in Ahmednagar district. The Shiv Sena chief demanded that noted lawyer Ujjwal Nikam take up the case of killings of two Sena leaders in Ahmednagar.

Thackeray said he had spoken to Nikam about it. "If a Sainik takes law in his hands against a gangster, a case should not be lodged against us. This should be the responsibility of the administration," Thackeray said, and demanded death penalty for those behind the killings of Sena leaders. "Put an end to hooliganism prevalent in the state or do not take the name of Chhatrapati Shivaji Maharaj. Whichever party the perpetrators may belong to, they should get the strictest of punishment," the Sena chief said.

If the BJP follows the "mantra of inducting criminals into the party to win elections, then acche din" (good days) will never come, he said.
