Gutkha scam: DMK for CBI probe; TN CM says DVAC inquiry on

CHENNAI, JUNE 29 - Opposition DMK today demanded a CBI probe into the alleged bribe paid to a minister and officials over sale of banned gutkha, while Chief Minister K Palaniswami said the matter was being inquired by the Directorate of Vigilance and Anti-Corruption (DVAC). Raising the issue for the second consecutive day today in the Assembly, Leader of Opposition M K Stalin demanded a probe by CBI and removal of the minister in question. He, however, did not mention the minister's name. He also sought action against police officials involved in the alleged scam besides seeking registration of a case by DVAC.

Responding to the demand, Palaniswami said (the then) Chennai Police Commissioner had written to the Tamil Nadu Home Secretary on December 22 last year that "with the help of some

Chennai Police officials, anti-socials were involved in the manufacture, sale and distribution of banned gutkha." "The Tamil Nadu government had ordered a preliminary inquiry into the allegations by the DVAC on January 23 this year," he said, adding the matter was being inquired by the anti-graft agency. The chief minister said the Madras High Court had on January 27 observed there was no need for its interference in the matter while dismissing a writ seeking a CBI probe into the alleged gutkha scam.

"We see no reason why the court should step into this issue when the authorities are themselves conscious of the gravity of the issue," Palaniswami quoted the Justice Bench, comprising then Chief Justice Sanjay Kishan Kaul and Justice M Sundar. Stalin said the chief minister's reply was "not satisfactory". He then led a walk out of his party

members from the House. The main opposition's allies Congress and the lone IJML member too staged a walk out over the issue. The DMK had also staged a walk out yesterday after Speaker P Dhannal disallowed a plea for a debate on the issue, saying it was based on media reports.

Today, seeking the nod of the Chair to raise the issue, Stalin said he has submitted proof in this regard. Following this, the Speaker allowed the DMK leader to talk on the issue and assured him that the chief minister would reply on the matter.

In his remarks, Stalin recalled the Income Tax Raids last year against Madhava Rao of a gutkha manufacturing firm and seizure of dairies and some accounting ledgers which had details of alleged payout to a minister and some police officials. (PTI)

No stay on medical quota seats for state board students: Madras HC

CHENNAI, JUNE 29 - The Madras High Court today refused to stay a Tamil Nadu government order, reserving 85 per cent of seats in MBBS and BDS courses for the state board students and only 15 per cent for those of the other boards.

Justice Pushpa Sathyanarayana declined to grant any interim stay on the government's order while hearing a plea by one Darnish Kumar and two others, challenging the June 22 order. The bench, however, issued notices to the Health and Family Welfare Department's secretary, Medical Education's additional director, the Selection Committee's secretary and the Medical Council of India, seeking their stands on the plea by July 5. The petitioners submitted that the allocation of seats in medical colleges on the basis of the Board of Education has been frowned upon and quashed by the Supreme Court. The apex court has clearly stated that when admission is based on entrance examination NEET, it should make no difference whether the qualifying examination is conducted by the state board or Central Board of Secondary Education because no discrimination can be made between the schools affiliated to both the boards, they submitted.

Accident by UP Roadways bus: Man's kin gets over Rs 19L in damages

NEW DELHI, JUNE 29 - The family members of a 41-year-old man, who was killed after being hit by a rashly driven UP Roadways bus, have been awarded a compensation of over Rs 19 lakh by a motor accident claims tribunal (MACT) here.

The tribunal directed Uttar Pradesh state road transport corporation (UPSRTC) to pay Rs 19.62 lakh along with interest to the kin of Chhote Lal, who died in April last year after the bus hit his bicycle. "From the evidence... it is proved that the bus driver caused the death of the deceased (Lal) by rash and negligent driving of the offending vehicle," MACT Presiding Officer Sanjay Sharma said.

Lal, who was earning Rs 18,000 per month by working as a stone mason with a firm, is survived by his wife, mother and five minor children. The man's family, in the petition seeking compensation, said the accident took place near a traffic signal in Ghaziipur in east Delhi on April 10, 2016, when Lal was riding the bicycle and Manoj Kumar was a pillion rider.

Both the injured were taken to hospital where Lal died the next morning and a criminal case was lodged against the bus driver.

While the bus driver denied involvement of the offending vehicle and the accident, UPSRTC contended that the accident had taken place due to negligence of the bicyclist. The tribunal ordered the bus driver to jump red light and lost control and fell down and sustained injuries. (PTI)
