

# Anti-social elements infiltrated anti-Sterlite stir: Rajinikanth

**TUTICORIN, MAY 30** /-/- Superstar Rajinikanth today blamed anti-social elements for the anti-Sterlite protests here last week that resulted in 13 deaths in police firing, and called for a Jajayalitha-style 'iron fist' policy to crush such people in the interest of Tamil Nadu.

Speaking to newsmen after meeting those injured in the police firing, he did not favour K Palaniswami's resignation as chief minister over the issue. "The attack on the collector's office and setting on fire (Sterlite) quarters was not done by the common people. Some anti-social elements infiltrated... (the protesting locals). It is their handiwork," Rajinikanth said and expressed grief that "this noble protest" had ended on a bloody note. The actor-turned politician, who gave away Rs 10,000 relief to each of the 48 injured persons, said pro-Jajayalitha protests in Tamil Nadu last year also saw infiltration of 'anti-social elements'. He had earlier announced a relief of Rs two lakh each to the families of the 13 deceased.

"The government should crush

such anti-social elements with an iron fist. On that front I laud Jajayalitha as she kept such persons under check with an iron fist. They should follow her policy and keep them under check, as otherwise it will result in great danger for Tamil Nadu," he said. Rajinikanth also called for action against those who attacked policemen during the May 22 protest.

Thirteen people were killed in police firing on May 22-23 when violence broke out at the protest by locals, demanding closure of Sterlite Industries in this district over pollution issues. On the opposition's demand for resignation of the chief minister, Rajinikanth sought to know how quitting could be a solution. "If you demand resignation for everything, what is (the purpose)... I don't want to talk about that," he said.

To a question, he said he had "no confidence" in the state government appointed one-man inquiry commission to probe the violence, under retired Madras High Court judge Aruna Jagadeesan.

## CBI takes over Gutkha scam probe in TN

**NEW DELHI, MAY 30** /-/- The CBI has taken over investigation in the gutkha scam, pertaining to illegal import, manufacture and sale in Tamil Nadu and allegedly involving a state minister besides a former and a top police official, on the orders of Madras High Court, officials said. The agency has registered the FIR against unidentified officials of Tamil Nadu government, Central excise department and food safety department. The case which was being probed by the state police was handed over to the CBI by Madras High Court last month. "The clandestine gutkha business is a crime against society, which is needed to be curbed," a bench comprising Chief Justice Indira Banerjee and Justice Abdul Quddus had said while issuing its directions on a plea by DMK MLA J Anbazhagan. "We, therefore, deem it appropriate to direct the CBI to investigate the illegal manufacture, import, supply, distribution and sale of chewable tobacco... detect and take action against those involved in the offence... in connivance with public/government servants," the bench said. The scam came to light on July 8, 2017, when Income Tax (IT) sleuths raided the godown, offices and residences of a pan masala and gutkha manufacturer in Tamil Nadu, who had been facing charges of tax evasion to the tune of Rs 250 crore. The manufacture, storage and sale of the chewable forms of tobacco, including gutkha and pan masala were banned by the Tamil Nadu government in 2013. The DMK had sought appointment of a special investigation team (SIT), headed by a retired judge of the high court and comprising CBI officials, to inquire into the matter.

## Patient in Goa hospital tests negative for Nipah virus

**PANAJI, MAY 30** /-/- A Kerala-based man, who was kept under observation at a hospital in Goa after showing symptoms of Nipah virus, has tested negative for the deadly infection.

The blood samples of the patient, sent for testing to the National Institute of Virology in Pune, have come out negative for the virus, state health minister Vishwjit Rane said today. "The tests of the patient's samples by molecular and serological methods are negative for Nipah," Rane added. The man, who was passing through Goa in a train and heading to Uttar Pradesh, had fallen unconscious at the coastal state's Thivim railway station on Monday, following which he was admitted to the state-run Goa Medical College and Hospital (GMCH).

The patient initially showed symptoms of the Nipah virus because of which he was kept in the isolation ward of GMCH, located near here in the North Goa district.

The virus has so far claimed 13 lives in Kerala. The outbreak of the Nipah virus infection, a newly emerging zoonosis that causes severe disease in both animals and humans, is suspected to be from an unused well at Perambra in Kerala's Kozhikode district which was infested with bats.

## Repolling in 73 booths of Kairana constituency

**LUCKNOW, MAY 30** /-/- Amid tight security arrangements, repolling is underway at 73 polling booths in Kairana Lok Sabha constituency with an estimated 48 per cent turnout of voters till 3 pm, the state election office said here. The Election Commission had on Tuesday ordered repolling in the constituency in view of technical snags in EVM-VVPAT machines during the by-election on Monday. Around 90,000 voters are registered in the booths where the repolling was going on. Opposition

Thana Bhawan in Saharanpur and five in Shamli. On Monday, 54 per cent polling was recorded in Kairana seat, which had fallen vacant following the death of BJP MP Hukam Singh, whose daughter Mriganka Singh is one of the candidates in the bypoll.

## What does Modi want, asks Kejriwal after CBI raid at PWD minister's house

**NEW DELHI, MAY 30** /-/- "What does PM Modi want?", posed Delhi chief minister Arvind Kejriwal today, hours after the CBI raided the residence of PWD minister Satyendar Jain in connection with alleged violation of norms in hiring architects for the Public Works Department.

The ruling AAP accused the Central dispensation of keeping the party ministers and MLAs in controversy to ensure that the work done by the Delhi government was not highlighted among the people. It said the 'raid' was an attempt to divert people's attention from the 'good works' done by the Arvind Kejriwal government. The raid was conducted after the CBI filed a fresh case against Jain in connection with alleged violation of norms in hiring architects for the public works department (PWD).

"What does PM Modi want," Kejriwal tweeted after the PWD minister in a tweet earlier in the day confirmed that the central agency had raided his house over the alleged hiring of the creative team by his department.

In reference to the Delhi government's recent decision to cap 'excess charges' by private hospitals, deputy chief minister Manish Sisodia
