PORT BLAIR, AUG 7/- The Central Island Agricultural Research Institute has released the agramet bulletin for the period from Aug 8-12, 2018. In the bulletin, CIARI forecasted cloudy weather with moderate rainfall in the next five days. In South Andaman 123 mm of rainfall and in North and Middle Andaman 58 mm and in Nicobar Island 207 mm of heavy rainfall is expected during this period. The maximum temperature will be 29 to 30 °C with minimum temperature of 24 to 25 °C, whereas the maximum and minimum relative humidity is expected to be in the range of 80 to 84 % and 75 to 80 % respectively in Andaman and Nicobar Islands. Wind speed of 25 to 34 kmph is

expected from South West/Westerly direction. Farmers in South Andaman have been advised to make proper drainage for long duration paddy nursery and keep the bund open at 20 cm height in the already transplanted rice main field, protect the vegetable nursery bed by providing shelter and drain the excess water, make ridges and transplant the healthy banana suckers and provide anthelmintic treatment to livestock (cow) with the consultation of veterinary doctors. In Nicobar, farmers have been advised to avoid application of manure to the vegetable field as moderate to heavy rainfall is expected and keep the goat in dry clean shelter to avoid pneumonia or breathing problem.

TMC for filling up vacancies in Forest Dept.

PORT BLAIR, AUG 7/- The general secretary, TMC ANI, Mr K P Aboo Backer, DFO, South Andaman and discussed issues regarding filling up of vacant posts of mazzdoor and installation of bio toilets in Jirkatanga area. It was brought to the notice of TMC ANI that applications were invited from the eligible local candidates of these Islands by South Andaman Forest Division to fill up 135 vacant posts of Regular Mazzdoor during August, 2015 and the due date for submission of filled-in form application was 18th October 2015. But no follow up action to fill up the posts has been taken up so far.

The A&N Island is facing unemployment problem and if the process of appointment in government departments are delayed it is injustice towards the job seekers. TMC ANI is of the strong view that the A&N Administration should take regular and prompt action to fill up the vacant posts to minimize the unemployment problem of these Islands and we have already taken up this matter with the Lt. Governor of A&N Islands. A delegation of TMC A&N Islands also met the Principal Chief Conservator of Forests A&N Islands, recently and discussed various issues pertaining to the islanders, and filling up of vacant posts of employees, subordinate staff and industrial employees was the points discussed among others, said the TMC leader. Mr Murali Sankar K, gave a patient hearing and assured the General Secretary that trade test for filling all vacant post of Mazzdoor will be initiated soon.

Stone laid for lift facility at Indira Bhawan

PORT BLAIR, AUG 7/- The Chairperson of Municipal Council, Mr Indira Pat Singh laid the foundation stone for lift facilities at Indira Bhawan in the presence of Mr Suneel Anchiappa, Secretary, PBMC and Smt E. Rani, Councilor Ward No. 4. The Senior Vice Chairperson, Junior Vice Chairperson, Councilors and Officers of the Council also attended the function. Mr Indira Pat Singh said that it's a long pending demand of the general public those who visits the Council particularly physically challenged and old

aged persons to meet the Chairperson and Councilors as they are facing difficulties to reach the office of the elected representatives in the second floor as well as to the Officers of the Council. Thus, it was decided by the Council to install a lift for these persons for barrier free access. The tender for the said work has been awarded and the work will be completed within 4 months. The estimated cost of this project is Rs. 29,51,314.00 lakhs. The capacity of the said lift will be of persons with CCTV and emergency calling facility.

MP for broadcast of Pradeshek Samachar through FM Radio

PORT BLAIR, AUG 7/- Since past few months, the All India Radio, Port Blair is broadcasting FM programmes of Vividh Bharti with the link of Mumbai. The FM broadcasting is available daily from morning till closing time of broadcasting of All India Radio, Port Blair. Unfortunately this facility is available only in Port Blair. Hence the Islanders residing in far-flung areas including tribal areas are consistently demanding for availability of FM Radio in the entire inhabitant area of A & N Islands for entertainment. The Islanders are also demand for broadcasting popular and informatics news of 'Pradeshek Samachar' through the FM Radio considering the genuineness of the demand, Mr Bishnu Pada Ray, Member of Parliament, raised the issue before the Minister of Information & Broadcasting and requested him to intervene in the matter and to extend his direction to the concerned authorities to broadcast the local news of 'Pradeshek Samachar' through FM Radio along with other entertaining programme and also to up-grade the linking facilities for enabling to broadcast the Pradeshek Samachar, Govt. sponsored programmes and other entertaining programmes through the Doordarshan Kendra Port Blair in the interest of Islanders.

ANC celebrates World Breastfeeding Week

PORT BLAIR, AUG 7/- The Andaman and Nicobar Command celebrated World Breastfeeding Week under the aegis of the Defence Wives Welfare Association (DWWA) from August 1 to 7 to encourage breastfeeding and improve health of the babies of the Armed Forces family. To mark the occasion, seminars were conducted by Srg Lt Cdr Manas R Mishra of INHS Dhanvantari at different locations in ANC. Various aspects like emphasising the importance of early initiation practice, role of antenatal counselling, myths and facts

related to breastfeeding and Baby Friendly Hospital Initiatives (BFHI) were covered in the seminars. During the week-long celebration, various activities like 'Nukkad Natak', poster competition, rangoli making and quiz contest were conducted among the ladies of the Command. A comprehensive health check-up of babies up to two years of age was also undertaken at INHS Dhanvantari, where growth and health assessment apart from screening for diseases like thyroid, anaemia etc. was carried out.
