MESSAGE

It gives me immense pleasure and happiness to learn that 'Animal Welfare Fortnight' is being observed in the Andaman and Nicobar Islands from 14th to 30th January 2018 along with rest of the country.

Animal Welfare refers to the relationship people have with animals and about the responsibility to treat them humanely and responsibly. Our country has always preached and practiced the values of 'Ahimsa' towards all living beings. Let us rededicate ourselves to spread the message of compassion and kindness towards animals during the fortnight.

My best wishes for the 'Animal Welfare Fortnight' celebrations.
