

SC paves way for criminal proceedings against Rajinikanth's wife, quashes HC verdict

NEW DELHI, JULY 10 /- The Supreme Court today paved the way for criminal proceedings against superstar Rajinikanth's wife Latha Rajinikanth on a complaint by an advertising agency, by setting aside a Karnataka High Court order quashing the process. The agency had lodged in its private complaint that they had ventured in the post-production of the 2014 film 'Kochadaiyanan', which was produced by Mediame Global Entertainment Ltd, on Latha's personal guarantee and had funded Rs 10 crore for it. She was a director of the production company. A bench headed by Justice Ranjan Gogoi said the high court was "not justified" in quashing the proceedings against Latha, which were initiated following a trial court's order on the complaint by the advertising agency. Ad Bureau Advertising Pvt Ltd. "This is a case which should have gone for trial. You (Latha) can apply for discharge at an appropriate stage," the bench, also comprising Justices R Banumathi and Navin Sinha, said.

The court's order came on a plea filed by the advertising agency against the March 10, 2016 order of the Karnataka High Court quashing the proceedings against Latha. The advertising agency had claimed that Mediame Global Entertainment Ltd was required to refund Rs 10 crore plus Rs 1.2 crore being the "guaranteed profit", but the amount was not refunded. During the hearing today, Latha's counsel told the bench that they had argued before the high court about a "reach of agreement" by the agency since they had agreed to pay Rs 20 crore to Mediame Global Entertainment Ltd but later paid only Rs 10 crore. "Just because they (agency) did not give you Rs 20 crore, will you retain whatever they had given you," the bench asked. At the outset, the counsel for the agency told the bench that Latha had not paid the money to them as per the undertaking given by her in the apex court earlier. To this, the bench said: "We have closed that chapter. We will now decide it on merits. You tell us what was the complaint and on what grounds the high court had quashed it." The advertising agency's counsel read out the order of the high court and said the proceedings were quashed on the ground that the dispute was of "civil nature". The bench, while setting aside the high court's order, told Latha's counsel that under the Code of Criminal Procedure (CrP), there were different stages in a matter and she has the right to approach the court for appropriate remedy. On July 3, the apex court had pulled up Latha for not complying with her undertaking given before the court to pay Rs 6.2 crore to the advertising agency. Mediame Global Entertainment Ltd had earlier denied liability on its part and Latha had denied the undertaking given by her counsel in the court was without instructions.

UP DGP rules out lapse in security provided by police to Bajrangji

LUCKNOW, JULY 10 /- A day after Munna Bajrangji was shot dead allegedly by another gangster inside a jail in Bagpat, Uttar Pradesh DGP O P Singh today said there was no lapse on part of the police force in providing security to the mafia don. Talking to newsmen here, he said adequate security was provided to Bajrangji while transferring him from Jhansi jail to Bagpat, and that the transit time between the two locations was nearly 12 hours. "There was no laxity on part of the UP Police in providing security to Bajrangji," Singh said. Mafia don Prem Prakash Singh, alias Munna Bajrangji, was shot dead, hours before he was to be produced in a local court in a case of extorting money from a former BSP legislator, police said. The UP DGP said a judicial probe was on in the matter and the guilty would not be spared. Bajrangji was reportedly killed by Sunil Rath, who is lodged in Bagpat jail since July 31 last year, officials said.

On media reports claiming that Rath killed the mafia don for calling him 'chubby', Principal Secretary (Home) Arvind Kumar said, "A number of versions have come out...magisterial and judicial probe is on. It will come in the probe report". Also commenting on a couple of photographs showing Bajrangji being shot on his head and then on his chest, the official said, "It has come to my notice. It will be included in the probe". The photographs have since gone viral on social media. These are the government's failures. The people of the state are very scared. The state has never seen such misrule and chaos before," he tweeted in Hindi. Uttar Pradesh government spokesperson and senior cabinet minister Sidharth Nath Singh, however, refuted the charges, saying law and order was "definitely better" compared to the SP regime in the state, and that police were hot on the heels of criminals across the state. Meanwhile, a senior police officer today said that killing of gangster Munna Bajrangji was not an isolated case, with quite a few cases being reported in the state in the last year. In this case, the firearm was smuggled inside the prison in the body of an air cooler to avoid metal detectors, a senior police officer said. Annu had killed a local corporator in Varanasi Banshi Yadav, who was lodged in the jail on March 2, 2004, after he was called at the jail entrance gate on the pretext of meeting a visitor. On June 22, 2011, YC Sachan, a key accused in the NRIHM case, was found dead inside the Lucknow jail. His body was found in a jail toilet in a sitting position with nine injuries caused by shaving blade. His leather belt was found tied around his neck with its other end tied to window grill. After the killing of 51-year-old Bajrangji inside Bagpat jail on Monday, the security of state prisons has again come under scanner.
