

NC hits out at Pak for 'interfering' in J&K on Article 35A

NC trying to create fear psychosis over Article 35A: BJP

JAMMU, AUG 12 /-/- The opposition National Conference (NC) today hit out at Pakistan for "interfering" in Jammu and Kashmir, saying that Article 35A, which provides special rights and privileges to permanent residents, was a shield for the people of the state. Pakistan's Foreign Office Spokesperson Nafees Zakria in a statement on Thursday had accused India of trying to alter the demography of Jammu and Kashmir. The main opposition party also lashed out at the local BJP for giving a "political and communal colour" to the issue and called for a referendum in Jammu region on Article 35A. "The article empowers state legislators to define 'permanent residents' of the state and provide special rights and privileges to those permanent residents."

Provincial president Devinder Singh Rana announced a campaign to educate people about benefits of Article 35A with the inauguration of a seminar by party working president Omar Abdullah here on August 14. He would also inaugurate another seminar in Kashmir on the same day. Block presidents, block secretaries, district presidents and

district secretaries would participate in it and later disseminate the information at a grassroots level, he said. Speaking to reporters at the party headquarters here, he said the statement issued by Pakistan seems to be part of a "conspiracy to make the issue of India versus Pakistan to pave way for its abrogation". He also said if the Article 35A is tinkered with, the Dogras will suffer the most and Article 370 of the Constitution, which gives special status to the state, will be rendered merely a "skeleton". "The BJP is trying to sell that the Dogras are with it in its demand for revocation of the Article 35A and gives it a communal and regional colour. There should be a referendum on the issue in Jammu and Dogras be given a chance to decide whether the law should remain or go. Questioning those who term the presidential order as 'illegal', Rana said if that order is illegal, what about the other orders passed by the president. He said the defense of certain rights and we will protect those rights," he said. The National Conference leader questioned the BJP leadership for introducing a domicile certificate in Himachal

asked the Centre to file a reply within three weeks to a writ petition filed by an NGO seeking that Article 35A be struck down. The PIL said the state government, under the guise of Article 35A and Article 370, which grants special autonomous status to the state, has been discriminating against non-residents who are debarred from buying properties, getting a government job or voting in the local elections.

The Centre would explain to the Supreme Court the legal aspects of Article 35A. Attorney General KK Venugopal is expected to explain before the apex court these aspects. He said the debate over Article 35A was neither Hindu versus Muslims nor Jammu versus Kashmir.

"We are part of India and we are Indians. Constitution of India and Constitution of Jammu and Kashmir govern our living and existence but we have been vested with certain rights and we will protect those rights," he said. The National Conference leader questioned the BJP leadership for introducing a domicile certificate in Himachal

Pradesh and of assuring the citizens of Maharashtra of introducing a similar law. In Sikkim, there is article 371A but you don't challenge it," he claimed. Rana accused the BJP of deliberately raking up such issues for politics and undermining the safeguards ensured to people of the state by the Constitution. He said the people of Jammu were angry at the discrimination with the region, especially during the last three years of the BJP-PDP rule. "We demand that the rights of all the people of all the three regions—Jammu, Kashmir and Ladakh—should be protected and there should be no discrimination. He said if Article 35A was abrogated, it would create serious problems for the people of the state, especially Jammu region, as businessmen and shopkeepers would lose their businesses, students lose their scholarships, and various jobs as well. In reply to a question about the issue bringing together mainstream and separatists in Kashmir, he said, "It is the responsibility of people of all three regions to ensure protection of their rights," he said. JAMMU, AUG 12 /-/- The BJP today accused the opposition of trying to create a "fear psychosis" among the people of Jammu over the issue of Article 35A of the Constitution. The saffron party, which is in power in Jammu and Kashmir in alliance with the PDP, alleged that the NC was responsible for promoting "majoritarianism" at the cost of minorities in the state. The party was reacting to a statement by the Jammu provincial president of the NC, Devinder Rana, on the issue of Article 35A of the Constitution, which defines the residency laws of Jammu and Kashmir and bars outsiders from buying any immovable property or applying for jobs in the state government.

"We are taking a serious note of the statement... he (Rana) tried to create a scare picture of the ill-effects on the people of Jammu region

if Article 35A is held illegal by the Supreme Court. He is creating a fear psychosis," BJP state spokesperson Anil Gupta said.

His (Rana) statement that Jammu will be affected far more than Kashmir since no outsider will flock in hordes to settle in Jammu clearly indicates the mindset of this party that has always advocated politics of exclusion," he said. It is a direct attack on the composite culture and communal tolerance of the people of Jammu, the BJP spokesman said.

The Supreme Court had last month asked the Centre to file a reply within three weeks to a writ petition filed by an NGO seeking that Article 35A be struck down.

The plea said the state government, under the guise of Article 35A and Article 370, which grants special autonomous status to the state, has been discriminating

against non-residents who are debarred from buying properties, getting government job or voting in the local elections.

"The NC was responsible for promoting 'majoritarianism' in the state at the cost of the minorities leading to a demographic invasion of the Jammu region taking shelter under the discriminatory provision of Article 35A," Gupta said. Gupta also took a dig at the NC leader for equating the West Pakistan Refugees with the Rohangya refugees. "The comparison is not only absurd but defies all logic," he said. The BJP of Prime Minister Narendra Modi's NC leadership was so sure of the legal correctness of Article 35A, why are they resorting to agitation politics? The website also asked the Kashmiris? "Rather than rabble-rousing, they should present their case before the Supreme Court," he added. (PTI)

Union minister Pradhan slams critics of armed forces

PANAJI, AUG 12 /-/- Union minister Dharmaendra Pradhan today came down heavily on the critics of armed forces, saying India must be the only country in the world where its defence forces have to face so much flak.

Earlier, only politicians were criticised but now a days this trend has extended to our security agencies and soldiers who operate in difficult conditions, the minister of state for petroleum and natural gas said. He said that armed forces are subjected to unfair criticism by people who are not aware of their sacrifices.

"Those who criticise the Indian armed forces don't know their capability. They risk their lives everyday so that we are able to sleep peacefully in our homes," Pradhan said.

The minister was speaking in Vasco near here after commissioning an Indian Coast Guard ship, 'Shaurya'. "India is a democratic country. Initially, only politicians faced criticism. Now even the Army, Navy, Coast Guard and BSF (Border Security Force) have to face criticism," Pradhan said. This stems from lack of understanding of the armed forces, the minister said.

"It is unfortunate that today we are not able to understand and respect the armed forces. We should give respect to them which they deserve. There must be criticism but there should be a reason for it," Pradhan said. "IG Shaurya" has been designed and built by Goa Shipyard Ltd, a Central PSU, and fitted with advanced navigational and communication systems. The vessel can carry one twin engine light helicopter and five high-speed boats. (PTI)

India, China flag meeting remain inconclusive

NEW DELHI, AUG 12 /-/- Senior army officials from India and China today held a flag meeting at Nathu La mountain pass in Sikkim and extensively discussed the Doklam stand-off but the "deliberations remained inconclusive", sources said. In the Border Personnel Meeting (BPM) attended by Major General rank officers from both sides, India insisted that the face-off could be resolved through simultaneous withdrawal of troops by the Indian and Chinese sides, they said.

Today's deliberations follow a meeting between brigade commanders of the two sides on August 8. "The meeting remained inconclusive as the Chinese side insisted on withdrawal of Indian troops from Doklam immediately," a senior Indian official said.

The BPM set up was launched by both countries to sort out local issues and ensure peace and tranquillity along the sensitive border. The two sides hold BPM in five points which include Daulat Beg Oldie in northern Ladakh, Kibithoo in Arunachal Pradesh, Chusul in Ladakh, Bum-La near Tawang in Arunachal Pradesh and Nathu-La in Sikkim. India and China have been locked in a face-off in the Doklam area of the Sikkim sector for nearly eight weeks after Indian troops stopped the Chinese Army from building a road in the area.

China claimed it was constructing the road within their territory and has been demanding immediate pull-out of the Indian troops from the disputed Doklam plateau. Bhutan says Doklam belongs to it but China claims it to be its territory. China has been ramping up rhetoric against India over the last few weeks demanding immediate withdrawal of Indian troops from Doklam. The Chinese state media, particularly, have carried a barrage of critical articles on the Doklam stand-off slamming India. External affairs minister Sushma Swaraj had recently said both sides should first pull back their troops for any talks to take place, favouring a peaceful resolution of the border stand-off. (PTI)
