Sebi exempts family trust related to Batliboi from making open offer

NEW DELHI, JULY 6 /--/ Market regulator Sebi on Thursday exempted a private family trust related to the promoter group of Batliboi Ltd from the obligation of making an open offer following its proposed acquisition of additional 49.55 per cent stake in the firm.

Bhogilal Family Trust had sought exemption from the obligation of making open offer post acquisition of certain number of shares in Batliboi Ltd.

Under the proposed acquisition, the trust would be acquiring 49.55 per cent equity shares of Batliboi Ltd from the company's promoter Nirmal Bhogilal, who is also trustee of Bhogilal Family Trust.

The stock would be acquired in different tranches in the coming years by way of contribution (gift) through open market transactions, as per the proposal.

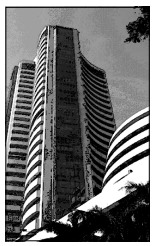
The proposal has been made following a private family arrangement to provide for family succession and welfare of Bhogilal's family.

Earlier, the trust had acquired 15.67 per cent of the total shareholding of the company from Bhogilal in March 2017 after obtaining approval from Sebi and has been named as a part of the promoter group in the shareholding pattern filed by the company for the quarter ending March 2017.

In an order passed today, Sebi has granted exemption to the trust from making the open offer, saying the proposed acquisition would take place pursuant to a private family arrangement intended for succession and welfare of the Nirmal Bhogilal's family.

Besides, the proposed acquisition will not affect the interest of the public shareholders and there will be no change in control of the company pursuant to the proposed acquisition, noted Sebi. (PTI)

Benchmarks end higher in choppy trade; log weekly gains



MUMBAI, JULY 6 /--/ Markets ticked higher in see-saw trade on Friday, propped up by gains in auto, realty, capital goods and energy counters amid a mixed trend overseas. The BSE Sensex rebounded over 83 points to close at 35,657.86, while the broader NSE Nifty rose 22.90 points to 10,772.65. Indices benefited from bargain-hunting in recently battered stocks, brokers said. Asian markets ended mostly higher even as investors monitored developments on the trade front in the aftermath of tit-for-tat tariffs by the US and China.

The 30-share Sensex, after a negative opening, slipped to the day's low of 35,532.21, but staged a strong comeback in the later part of the session to hit a high of 35,799.71. It finally finished 83.31 points, or 0.23 per cent higher at 35,657.86.

The NSE Nifty, after shuttling between 10,735.05 and 10,816.35, ended at 10,772.65, up 22.90 points, or 0.21 per cent. Both the Sensex and Nifty posted weekly gains, rising 234.38 points, or 0.66 per cent, and 58.35 points, or 0.54 per cent, respectively.

Meanwhile, foreign portfolio investors (FPIs) sold shares worth Rs 159.37 crore on net basis, while domestic institutional investors (DIIs) also sold equities to the tune of Rs 296.97 crore on Thursday, provisional data showed.

"Market showed signs of stability as improving outlook on auto and consumption oriented sectors lifted the sentiment. However, emergence of profit booking towards end on account of continuing trade tensions led the indices to end with marginal gain. "Meanwhile, rupee traded in a narrow range while gradual fall in oil price & 10-yr yield will provide support to the market," said Vinod Nair, Head of Research, Geojit Financial Services.

IT bellwether TCS spurted 1.80 per cent to its lifetime high of Rs 1,913.30 ahead of its June-quarter results on Tuesday.

Hero MotoCorp topped the gainers' chart in the Sensex pack, rallying 4.25 per cent, followed by Tata Motors at 3.69 per cent. Other winners were Bajaj Auto 1.80 per cent, M&M 1.59 per cent, RIL 1.19 per cent, L&T 1.05 per cent, Yes Bank 1.03 per cent, Adani Ports 1.02 per cent, Axis Bank 0.66 per cent, Kotak Bank 0.47 per cent, Coal India 0.43 per cent, SBI 0.33 per cent, Tata Steel 0.12 per cent and Asian Paints 0.07 per cent.

SAIL's RMD clocks record iron ore production, despatch in Q1

KOLKATA, JULY 6 /--/ The mining wing of Raw Materials Division (RMD) of Steel Authority of India Limited (SAIL) has clocked record iron ore production and despatch in the 1st quarter of 2018-19 surpassing all previous records.

RMD's iron ore mines at Kiriburu, Meghahatuburu, Gua, Chiria in Jharkhand, and Bolani, Barsua, Taldih, Kalta in Odisha together produced and despatched 5.19 million tonne (MT) and 5.11 mt respectively notching a growth of 15.4 per cent and 16.7 per cent over corresponding period last year. The mines have also achieved best ever monthly production of 1.85 mt in June. RMD's Bolani Ores Mines has individually clocked highest ever loading of 151 rakes in the month of June.

The significant rise attributes to system changes brought in by RMD in its mines. Reduction in loading time of rakes at mines, and turnaround time of rakes from steel plants resulted in highest ever despatch of 1463 rakes in Q1 from RMD mines. Opening of Barsua Iron Mine also added further volume. RMD is ramping up its iron ore production to meet the increasing demand SAIL's steel plants. In current fiscal RMD's iron mines in Odisha and Jharkhand are set to produce about 24.50 million tonne of iron ore. (EOIC)
