

Sensex extends losses as new F&O series opensubdued, rupee worries continue

MUMBAI, AUGUST 31 / - / The BSE Sensex fell 45 points on Friday, extending third session of losses, as the September series derivatives contracts started on a somewhat weak note amid the rupee hitting the 71-mark for the first time ever.

However, the NSE Nifty edged slightly higher by 3.70 points.

Muted global sentiment after a report that US President Donald Trump was preparing to impose more tariffs on China mainly hurt trading activities here.

The rupee crashed to a record low of 71.04 dollar intra-day, tracking weakness in almost all other Asian peers following the latest round of US-China trade tensions and robust

the Sensex closed in the negative terrain for the third straight day.

The quarterly GDP growth numbers will be released after market hours on Friday.

On a weekly basis, both key indices Sensex and Nifty recorded their sixth straight week of gains by rising 393.27 points or 1.02 per cent, and 123.40 points or 1.07 per cent, respectively.

Investor sentiment was further hit as the rupee continued its slide to hit its new life-time low and breached the 71-mark

month-end demand for the American currency from oil importers.

A general caution prevailed in the market today with all eyes on GDP data for the June quarter as

Gold rises on festive demand, weak rupee

NEW DELHI, AUGUST 31 / - / Gold prices rose by Rs 140 to Rs 31,340 per 10 gram on Friday.

On a persistent buying by local jewellers and a firm global trend.

Besides, a depreciating rupee which slumped to a historic low of 71 against the dollar, making imports costlier, aided the uptrend.

However, silver remained unaltered at Rs 38,300 per kg in limited deals from industrial units and coin makers.

Marketmen said besides a firm global trend, increased buying by local jewellers to meet the ongoing festive season demand at the domestic spot market, mainly kept the gold prices higher.

Globally, gold rose 0.60 per cent to USD 1,206.80 an ounce and silver 0.90 per cent to USD 14.65 an ounce in Singapore.

In the national capital, gold of 99.9 per cent and 99.5 per cent purity advanced by Rs 140 each to Rs 31,340 and Rs 31,190 per ten gram, respectively. It had gained Rs 120 in Thursday's trade.

Sovereign however remained flat at Rs 24,500 per piece of eight gram.

On the other hand, silver prices remained steady at Rs 38,300 per kg, while weekly-based delivery fell by Rs 125 to Rs 36,955 per kg for want of buying support.

Silver coins however continued to be traded at the previous level of Rs 73,000 for buying and Rs 74,000 for selling of 100 pieces. (PTI)

Circular Trades:Sebi imposes fine of Rs 16l on two individuals

NEW DELHI, AUGUST 31 / - / Markets regulator Sebi Friday imposed a penalty of Rs 16 lakh on two individuals for indulging in fraudulent trading activities. In three separate orders, the regulator imposed a total fine of Rs 16 lakh on Hareesh Poonk for violation of PFUTP (Prohibition of Fraudulent and Unfair Trade Practices). In Purohit case, Sebi had conducted probe into the alleged irregularity in the trading in shares of Today's Writing Products Ltd (TWPL) and K Sera Sera Productions during December 2005 to February 2004 and from May to July 2005, respectively. The regulator also conducted an examination during May-July 2005 for possible violations of Sebi norms in scrips of K Sera Sera Productions by Poonk. Sebi found that the two individuals along with other entities indulged in circular and synchronised trades and thereby created increased artificial volume and entered into transaction in securities without intention of change of beneficial ownership of such securities. Synchronised or circular trading refers to a practice where the seller and buyer have an understanding between them on trading of specific shares.

PM to launch India Post Payments Bank today

NEW DELHI, AUGUST 31 / - / Prime Minister Narendra Modi will on Saturday launch the India Post Payments Bank (IPPB) that seeks to leverage the expansive network of the postal department to ensure financial inclusion for the masses.

The event is scheduled to be held at Talkatora Stadium in New Delhi, along with simultaneous launch events at 650 branches and 3,250 access points that will go live tomorrow, an official statement said.

"IPPB has been envisioned as an accessible, affordable and trusted bank for the common man, to help significantly achieve the financial inclusion objectives of the Union Government," it added.

The payments bank, where the Indian government holds 100 per cent equity, will leverage the vast network of the Department of Posts (DoP) that has more than three lakh postmen and Gramin Dak Sevak.

All the 1.55 lakh post offices in the country will be linked to the IPPB system by December 31, 2018.

IPPB will, hence, significantly augment the reach of the banking sector in India, the statement said. (PTI)
