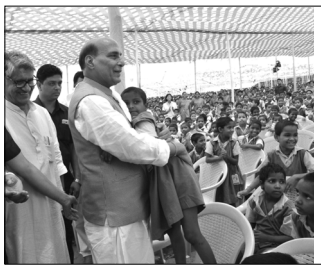
Union ministers praise Kalinga Institute of Social Sciences



EOI CORRESPONDENT

BHUBANESWAR, APRIL 20 /--/ Students, teachers and non-teaching staff members of the Kalinga Institute had a great time on April 15 (Saturday) as the institute was visited by five Union ministers, who spent time with the students and interacted with some of them. Union home minister Rajnath Singh appreciated the institute's model and explained that education is the most effective way to counter violence. "I am delighted to know that more than 25,000 poor tribal boys and girls are studying here, while over 8300 have already passed out", Singh stated. It is a great service by KISS, because, otherwise, many among them would have joined the Naxal extremism and become a burden on the Government and people, he explained, adding that with its focus on education of the girl child, KISS is also contributing to check women's trafficking.

The home minister walked into the sea of children gathered to listen to him and freely mingled with them. He promised to visit again and spend two days at the institute. Union HRD minister Prakash Javadekar called KISS as the manifestation of "New India, aspiring India and shining India". Prime Minister of India Shri Narendra Modi's vision of "Beti Bachao, Beti Padhao" and "Sabka Saath, Sabka Vikash" are translated into action here at KISS", Javadekar said. Students here learn values, tradition and culture, besides formal education, he remarked.

Javadekar mingled with the students and reciprocated their greetings. Venkaiah Naidu, Union minister of urban development and housing; urban poverty alleviation and information & broadcasting said that visiting the institute was an incredible experience. "I am seeing the India envisaged by Prime Minister of India, Shri Narendra Modi", he remarked. KISS is a novel institution where poverty alleviation is done through education, Naidu said, adding that it is a role model and inspiration for all and all states should adopt this model. Vijay Goel, Union minister of state (independent charge) for youth affairs and sports dedicated a Sports Authority of India's Extension Centre at KISS. The institute will be developed into a laboratory of sports, assured Goel, who also freely mingled with the students reciprocating their greetings and singing with them. Faggan Singh Kulaste, Union minister of state for health and family welfare, who has visited KISS earlier also, said that this institute brings about real empowerment of tribal people at large scale at one place because of Prof. Samanta's passion for the development of the underprivileged. "I am thankful to the Union ministers for visiting KISS. Their powerful words motivate 25,000 students of the institute", said Prof. Samanta, who made it possible for 25000 students to dream and enabled them to chase the dream. KISS is the world's largest fully free, fully residential institute for 25,000 poorest of poor tribal boys and girls who are provided complete and holistic education from Kindergarten to Post Graduation along with lodging, boarding, health care facilities besides vocational and life skill empowerment.

Oppn councillors stage walkout, seek resignation of KMC Mayor

KOLKATA, APRIL 20 /--/ The Opposition Left Front, Congress and BJP today staged a walkout from the monthly House meeting of Kolkata Municipal Corporation demanding the resignation of Mayor Sovan Chatterjee, against whom the CBI has lodged an FIR in the Narada sting operation case.

As soon as the meeting started, opposition councillors stood up and started raising slogans against Mayor Sovan Chatterjee and Deputy Mayor Iqbal Ahmed. Ahmed is also an accused in the Narada case. With ruling Trinamool Congress councillors trying to silence the protesters, opposition Left Front, Congress and BJP councillors rushed to the Well of the House with placards and banners demanding the resignation of Mayor Chatterjee.

CPM councillors Mritunjoy Chakraborty and Ratna Roy Majumdar rushed to the seat of the Mayor and blowing whistle, raised a red card in a symbolic gesture akin to the referee sending a player off the ground in a football match. TMC councillors tried to block both Left Front councillors and in the process, tore off the banner held by BJP councillor Meena Devi Purohit. The Opposition councillors also marched up to the Mayor's and KMC chairperson's rooms raising slogans.

Later, Congress councillor Prakash Upadhyay and other Left Front councillors alleged that chairperson Mala Roy was not conducting the House meetings in an impartial way and not allowing the opposition councillors to raise their issues. The monthly House meeting was adjourned soon after the walkout.

PIL filed against Lalu's sons

PATNA, APRIL 20 /--/ A PIL was today filed in the Patna High Court seeking annulment of election of Bihar deputy chief minister Tejaswi Prasad Yadav and his brother and Health Minister Tej Pratap Yadav for allegedly concealing details of their property in poll affidavits.

Advocate M P Sangar made the two ministers, who are sons of RJD President Lalu Prasad, and the state government as respondents in the petition which also sought a CBI inquiry into the assets owned by them. The petitioner alleged that the

two ministers had concealed details of their property in the election affidavit submitted during 2015 Assembly poll and prayed to the court to declare their membership of the Assembly as null and void.

While Tejaswi won the 2015 assembly poll from Raghopur seat in Vaishali district, Tej Pratap Yadav is an MLA from Mahua in the same district. The PIL comes in the backdrop of a series of allegations levelled by senior BJP leader Sushil Kumar Modi over land deals by Lalu Prasad's family.

Assam govt mulling service to ferry bodies from hospital

GUWAHATI, APRIL 20 /--/ Assam health minister Himanta Biswa Sarma on Wednesday said the state government may consider starting a service to send bodies back from hospitals.

Sarma's reaction came after the state government received all-round flak over an incident in Assam's river island Majuli, where a youth had to tie his relative's body to a bicycle to carry it back home after the person died at a government hospital. According to the youth, he had to carry the body from the hospital on his bicycle as the road to his village is in a bad shape and has several bamboo bridges on the way, across which a vehicle or an ambulance cannot pass. Replying to the criticism, the health minister said it was not the responsibility of the health department after a person was dead.

"The health department is responsible for living humans. After death, it is the responsibility of the Social Welfare Department or some NGO. We cannot use ambulance for carrying bodies, otherwise there will be an ethical question," said Sarma. "Currently, ambulance services like 108 and 104 are provided to take patients to hospital. We do not have such a service for bodies. We have to see and work out a mechanism so that bodies can be taken back from hospital," he said.

Assam chief minister Sarbananda Sonowal has sent the state's director of health services to Majuli after some television channels aired the news of the dead body being carried on a bicycle in the island. Majuli, the largest river island in the world, is a district and also a legislative assembly constituency represented by the chief minister himself.

Odisha CM asks police to trace out INA soldier's grandson

BHUBANESWAR, APRIL 20 /--/ Odisha chief minister Naveen Patnaik has asked the police to trace the grandson of INA veteran Laxmi Indira Panda, who had come here along with his parents for the felicitation of freedom fighters' families by Prime Minister Narendra Modi on April 16.

Modi during his visit here for the BJP national executive had on April 16 felicitated family members of 16 freedom fighters - 15 who had participated in the Paika Rebellion of 1817 and one a member of the INA. Indian National Army Captain Laxmi Indira Panda's son Surendra, daughter-in-law Sujata and grandson Babuli had attended the felicitation at the Raj Bhavan. While returning home to Jeypore in Koraput district, Panda's family got separated from each other at the busy Bhubaneswar station.

While Surendra took the train to Jeypore and reached home safely, his wife Sujata wrongly boarded a Kolkata-bound train. She was traced and rescued from Balasore after she was forced to disembark at the station by the ticket checker since she had no valid ticket. Sujata was spotted roaming near Balasore station on the night of April 17 by a youth Debapriya Samal, who took care of her after coming to know of her credentials. Later with the chief minister's intervention, Balasore district administration sent her back to Jeypore safely today. There is, however, no trace of her 19-year-old son Babuli yet. "Worried over the whereabouts Panda's grandson, chief minister Naveen Patnaik has directed the director general of police to locate him and ensure his safety," a communication from the chief minister's office said. The chief minister felicitated Samal and described him as a "good Samaritan" and presented him a memento in appreciation of his gesture. "His (Samal) inspiring good work will encourage others to help people in distress," Patnaik said.

GJM hopeful of forming civic boards in 4 municipalities

DARJEELING, APRIL 20 /--/ The Gorkha Janmukti Morcha president Bimal Gurung today said that his party was hopeful of forming civic boards in Kalimpong, Mirik, Kurseong and Darjeeling municipalities. "I am not worried about Kurseong. Party leaders have done a good job there. Even in Darjeeling, things are fine, but I am slightly worried about Kalimpong and Mirik," Gurung said while announcing the list of party's candidates for Kurseong.

"I have been staying in Kalimpong for the past 45 days and things are much better there. Even in the last Assembly elections, all the parties, the state government and development boards came together to defeat us but the will of the people was different. This time too we will win a minimum of 17 to 18 seats in Kalimpong. We will form the board in Mirik also," he said. Elections in 84 wards of Darjeeling, Kurseong, Kalimpong and Mirik municipalities will be held on May 14.

The Morcha announced candidates for 19 of 20 seats in Kurseong and 11 of 32 wards in Darjeeling. In the Assembly elections last year, the Jana Andolan Party had contested 17 of the 23 wards in Kalimpong but the Assembly seat was won by the Gorkha Janmukti Morcha.

Sonu insulted Constitution; should leave India: Cleric

KOLKATA, APRIL 20 /--/ Cleric Syed Sha Atef Ali Al Quaderi today claimed that Bollywood singer Sonu Nigam had shown disrespect to the Constitution by his comment on use of loudspeakers in shrines and that the singer should consider leaving the country.

"Sonu (Nigam) has insulted the Constitution of the country.... I think such a person must consider leaving the country," Quaderi, the vice-president of West Bengal Minority United Council, said here. "He has also hurt religious sentiments of many Indians by speaking against 'azaan' (Islamic call to worship). He must apologise as soon as possible admitting that he has done a mistake," the cleric told a press conference. Else, Nigam should fulfill the rest of the conditions set down by me to get the reward of Rs 10 lakh, he said.

"Sonu has shaved off his head. But he still needs to do two more things I had mentioned about wearing a garland of old shoes and touring the country. Once he fulfils these two deeds, I will hold a press conference and hand over the cheque to him," he said. On April 18, Quaderi had announced a Rs 10 lakh reward to anyone who would tonsure the singer's hair, put a garland of old torn shoes around his neck and parade him around the country.

The Bollywood singer had yesterday got his head tonsured at a press conference in Mumbai where he said that his tweets were against the use of loudspeakers in morning sermons and not aimed at any particular religion.
