

Infighting in BJD turns ugly, MP Baijayant Panda hit by stone

BHUBANESWAR, MAY 30 /- The infighting in the ruling BJD turned ugly today when party MP Baijayant Panda was hit by a stone as he supported some party members pelted stones at one another in Mahanga area.

The incident happened when some party members hurled stones and eggs at a procession led by Panda after he inaugurated a drinking water project in the area in Kendrapara district, police said. Panda was seen hit by a stone and he sat down on the ground surrounded by his supporters. Later police escorted the MP up to a chopper.

Soon his supporters pelted stones at the other party members. Immediate police intervention controlled the situation. "Forget stones and eggs, they can't cow me down even if they use bullet. These MPLAD funded projects - 5.2 million litre of drinking water," Panda tweeted immediately after the incident.

Panda, MP of Kendrapara, had allocated funds for the overhead water tank at Jatiparilo village under Mahanga Assembly segment represented by state's health and family welfare minister Pratap Jena. While local BJD leaders and minister's supporters alleged

that they were not invited to the inauguration function, Panda rejected the charge and claimed that all the local leaders, including the local MLA, were invited. "Even names of local leaders were written in the plaque," Panda told reporters. Panda blamed some "Babus" (officers) for the hotheadism in the ruling BJD and hoped party president Naveen Patnaik would definitely take steps after being aware of the incident.

"The MP said, 'I have been in the party since its inception in 1997. In the first 17 years, we had a policy against hotheadism and infighting. But things have

changed in the last three years. "When some Babus (officers) sitting in AC rooms have started deciding the party activities, it has become a victim of indiscipline. This is not a good sign." Panda, who was recently removed from the post of spokesman of BJD's parliamentary party, said he had already taken up the matter of indiscipline in the party with the president.

"I have raised the issue in BJD's parliamentary party meeting. I am sure even Naveen Babu gets the truth, he will certainly take steps," Panda told newsmen.

Lalu violated MLA Cooperative Society bye-laws: Sushil

PATNA, MAY 30 /- Senior BJP leader Sushil Modi today alleged that RJD chief Lalu Prasad got two plots of land allotted in his name in violation of the MLA Cooperative Society's bye-laws.

The state government had earmarked 15 acres of land for 30 years to the MLA Cooperative Society at Kauliyana Nagar here for allotment of residential plots to MPs, MLAs and MLCs. The 30-year lease will come to end in December 2017. Apart from Prasad, the chairman of the MLA Cooperative Society, Jai Prakash Narayan Yadav,

an RJD Lok Sabha member, also got two plots allotted in his name in violation of the bye-laws of the Society, Modi alleged. The BJP leader said that the bye-laws allowed allotment of only one plot to a member of the Society.

Besides, Modi said that adjacent to those of Prasad and his wife Rabi Devi, too had been allotted to Prasad's brother-in-law Aniruddh Prasad Yadav and his close confidant and party Rajya Sabha MP Prem Chand Gupta to make Prasad's plot size bigger, he claimed describing the allotment as a "scam".

Patna district magistrate has prepared a detailed report on the irregularities of the Cooperative Society which was submitted to the chief minister three months back, Modi said. "CM Nitish Kumar should make the DM report public and also cancel the plots of those who have violated the bye-laws," Modi demanded. Former Bihar minister said that penalty should be imposed on Lalu Prasad and others for using the plots for commercial purposes. He said that Prasad is, at present, occupying for all practical purposes five plots

of the society - numbering 207, 208, 209, 210 and 211. "As per the bye-laws of the Cooperative Society which was submitted to the chief minister three months back, Modi said. Jharkhand Cong seeks judicial probe into lynching incidents

JAMSHEDPUR, MAY 30 /- The Congress today demanded a judicial inquiry into the incidents of lynching that had claimed nine lives in Kolhan region of Jharkhand since 2010. Jharkhand Congress (JPC) president Sukhdeo Bhagat, M.L.A., also expressed dissatisfaction over the ongoing investigating by the state police.

"The people of the state have lost faith in the government which miserably failed to act despite a rumour of child lifting doing the rounds since May 10 last, that ultimately claimed nine lives in Kolhan region comprising East and West Singhbhum and Seraikela-Kharswan districts," Bhagat told a press conference. Bhagat who on Monday met the family members of three persons who were lynched on suspicion of being child lifters at Nagadigh in East Singhbhum district on May 18 last, demanded a judicial inquiry into the lynching incidents to "expose the reason" that led to the killing of "innocent persons." The JPCC president claimed that the incidents were pre-planned and had taken place under the patronage of the government.

The Nagadigh incident was a blot on the face of the society as it had taken place in the home town of the chief minister Raghubar Das and state minister Saryu Roy. "Bhagat said while regretting that the chief minister did not have the time to visit the victims' families as yet. Attributing administrative failure as the cause for the lynching incidents, Bhagat said Jharkhand Police Association has claimed that it had apprised the senior officials of the child lifting rumour but no action had been taken. till several lives were taken. The Congress leader said a JPCC delegation would meet Jharkhand Governor Draupadi Murmu in a couple of days and demand a judicial inquiry into the lynching incidents.

The JPCC also criticised the Jharkhand government for celebrating the completion of three years of Narendra Modi-led NDA government when the state was rocked by the lynching incidents. "The chief minister did not have the time to visit the families of victims as yet but his government was busy glorifying Naxals who were surrendering before the state authorities," he said. Bhagat accused the Union and state governments for disturbing the prevailing peace and tranquility by driving wedges within the society.

Mamata to hold meeting with private educational bodies on fee: Partha

KOLKATA, MAY 30 /- West Bengal education minister Partha Chatterjee today said that the state government would discuss fee disparity with private educational institutions.

Chatterjee said that chief minister Mamata Banerjee would hold a meeting with the heads of private colleges and other educational institutions in this regard. Speaking to newsmen on the sidelines of "Education Interface", a career fair, the minister said: "We never impose any thing, but we will reason with them. We are all committed to improving the education scenario in the state," the minister said.

Expressing his government's resolve to see that poor and meritorious students have the opportunity to study in the institutions of their choice, Chatterjee said: "We will urge private institutions and universities to reserve a certain percentage of seats for them." Pointing at the trend of students leaving the state for higher studies in the technical field, the minister said: "We want our talent to remain in the state... Technologically our state has made a lot of advances. But we have to ensure that our talents get proper backing. We need to retain them."

Chatterjee called upon private institutions to put on the Internet the number of seats available across different streams apart from organising career fairs. Arguing the previous Left Front government of playing havoc with the future of students in Bengal, Chatterjee said: "They had abolished English for 17 years and done immense harm to the future of our students." On the three-language formula mooted by the state government, Chatterjee said: "We never said that everyone has to write his papers in Bangla as first language. All we have suggested is Bangla should be one of the three languages in school curriculum." (PTI)
