

Power consumers urged to install rooftop solar systems

PORT BLAIR, FEB 28/- The A&N Administration, under the guidance of Lt. Governor and in order to reduce the dependency on diesel generated power, is in the process of framing a Solar Policy with an aim to introduce green energy in the islands by harnessing solar energy through 'Rooftop Solar Plants' in all sectors, including private residential buildings.

In this regard, bids are being invited from the developers/manufacturers of Rooftop Solar from a minimum of 1 KW to a maximum of 10 KW (aggregating to 2 MW). The owners of private residential buildings/community, institutional and non-commercial establishments, who are consumer of Electricity Department and interested to install rooftop solar plant, shall be provided subsidy of 70% on the benchmark price fixed by MNRE from time to time. The balance 30% of the benchmark price and the actual project cost has to be borne by the applicant/consumer.

The NRSE Division of the Electricity Department will provide all required support to the consumers who wish to install rooftop solar plant at their buildings/premises, in getting the loan sanctioned by the banks/financial institutions and in providing subsidy/CFA (Finance Assistance) of 70% of the benchmark cost fixed by MNRE through ANREDA (A&N Renewable Energy Development Agency).

All interested consumers of A&N Islands may apply to Electricity Department in a prescribed format in all working days at NRSE Division office through respective site offices. The application can be downloaded through Administration's website i.e. www.andamand.gov.in. For more information, one can contact Office of the Executive Engineer, NRSE Division, Prothrapur Port Blair - Phone No. 03192-250930 or send e-mail at ecnrse@gmail.com.

Shanti Basti villagers piqued over battered roads

SUBRATA

NIMBUTALA, FEB 28/-

Battered and pothole-laden

road stretch is inviting public ire from villagers of Shanti Basti in Middle Andaman here. Besides pe-

destrians, the uneven and eroded village road has become a source of torment for motorists as many of them have complained of frequent falls in the recent past. Despite repeated pleas, no government agency has initiated any steps to provide respite to the agitated population of the region.

As per reports, the village road is used by hundreds for various purposes on a daily basis. However, the tattered road stretch full of potholes and craters has made the journey cumbersome for the villagers. "Senior citizens, women often sit on the main road to rest while traversing through this battered stretch. The condition of the road is such that it is even difficult for the motorists to negotiate. Imagine the plight of pedestrians. Many motorists have suffered accidents due to the condition of the road. But the concerned government agencies have turned a blind eye to the problem," said some villagers of Shanti Basti.

Radhanagar world's 8th best beach

NEW DELHI, FEB 28/-

Radhanagar beach at tourism hotspot, Havelock, in the Andaman and Nicobar Islands has been rated 8th best in the world and first in Asia. "TripAdvisor's 'World's Travellers' Choice Award-Winning Beaches' has honoured 343 beaches, including the top 25 in the world and local lists for Africa, Asia, Australia, Caribbean, Central America, Europe, South America, the South Pacific, the UK and

the US Award.

Two Indian beaches featured in the top 10 Asia list with Radhanagar at No 1 and Agonda Beach in Goa at No 5. White Beach in Philippines secured the No 2 position in the Asia list followed by Ngapali Beach in Myanmar, Nai Harn Beach in Phuket, Thailand. Winners were adjudged based on the quantity and quality of traveller reviews and ratings for beaches on TripAdvisor, gathered over

a 12-month period. The Baia do Sancho Fernando de Noronha in Brazil topped the list followed by Grace Bay Providenciales in Turks and Caicos, Eagle Beach in Aruba, Playa Paraiso Cayo Largo in Cuba, Siesta Beach Siesta Key in the US, La Concha Beach in Spain and Playa Norte Isla Mujeres in Mexico. Elafonissi Beach in Greece secured No 9 position and Galapagos Beach in Ecuador was at No 10 in the list.

IDA lauds ban on tobacco products

PORT BLAIR, FEB 28/- A delegation from the Indian Dental Association (IDA), Andaman and Nicobar Islands State branch called on the Lt Governor, Prof. Jagdish Mukhi at Raj Niwas on Tuesday. The IDA delegation expressed their appreciation to the Lt Governor for imposing ban on chewing tobacco products in the islands. They observed that this step will go a long way in ensuring the health of the Islanders. In the recent years, prevalence of oral cancer and pre-cancerous lesions have increased manifold and there has been no check, despite various awareness programmes organized by the government and non-government agencies functioning in

these islands. The Indian Dental Association, A&N Islands while lauding the initiative also assured full support for this noble cause to make these Islands tobacco-free in true spirit. The IDA in association with the Social Welfare Board on the occasion of Women's Day will conduct free oral health check-up and awareness camps on March 8 (Wednesday). Camps will be organized at all the Dental Clinics and centres at both government and private across the Islands. On this day while celebrating the progress made by women, the issue of better oral health care for women will also be highlighted as oral health affects women differently at various points in their life.
