Sensex zooms the most in 2 yrs, Nifty above 10,400 on global relief rally

MUMBAI, MAR 12/--/ The BSE Sensex today spurted by 611 points -- its biggest single-day gain in two years -- to finish at one-week high of 33,917.94 following a global relief rally as trade war fears abated on growing optimism over the US economy.

Investors lapped up recently battered metal, oil & gas, FMCG, banking, power, infrastructure, IT, auto, and capital goods stocks amid fresh capital inflows by foreign funds ahead of key IIP and inflation data to be released after market hours today, brokers said.

After opening on a strong footing, the Sensex advanced to hit a high of 33,962.48 on the back of fresh buying by domestic funds and retail investors.

However, later it gave up some of the gains but still ended up by 610.55 points, or 1.83 per cent, at one-week high of 33,917.94 . The index posted its biggest single-day gain since March 1, 2016, when it had jumped 777.35.

The broader Nifty finished at 10,421.40, up 194.55 points, or 1.90 per cent with 47 of its components closing with gains. It touched a high of 10,433.65 points in day trade. Bharti Airtel rose the most by 4.68 per cent among Sensex scrips its board approved raising up to Rs 16,500 crore for refinancing debt and paying for spectrum liabilities.

Index major ITC surged 4.09 per cent after cigarette cess was kept unchanged at the GST Council meet.

NTPC climbed 4.33 per cent after Moody's Investors Service has assigned a Baa2 rating to the proposed senior unsecured USD notes to be issued by NTPC Limited.

INX Media case: Karti Chidambaram sent to jail till March 24

NEW DELHI, MAR 12/--/ A Delhi court today sent Karti Chidambaram to judicial custody till March 24 in the INX Media corruption case, while dismissing his plea for early hearing of his bail application.

Special judge Sunil Rana pronounced the order after the CBI said that he was not required for custodial interrogation.

On his plea seeking separate cell and protection in Tihar Jail, the court said the jail manual would be followed.

It also said that his bail plea would be heard on March 15 as scheduled.

The court denied Karti's request for home food in the jail.

Meanwhile, Karti's CA S Bhaskarararaman, who is currently in jail in a case filed by the Enforcement Directorate (ED), has moved the court for anticipatory bail in the CBI case of INX Media.

Karti, the son of senior Congress leader P Chidambaram, was produced before special judge on expiry of his three-day police custody.

Karti has already spent 12 days in police custody since his arrest on February 28 from Chennai airport. Karti Chidambaram's father P Chidambaram was also present in the courtroom.

He was arrested on his return from the United Kingdom in connection with the FIR lodged on May 15 last year. It alleged irregularities in the Foreign Investment Promotion Board (FIPB) clearance to INX Media for receiving overseas funds of about Rs 305 crore in 2007 when his father was Union finance minister.

The CBI had initially alleged that Karti Chidambaram received Rs 10 lakh as bribe for facilitating Foreign Investment Promotion Board (FIPB) clearance to INX Media. It, however, later revised the figure to USD 1 million (about Rs 6.50 crore at the current exchange rate and Rs 4.50 crore in 2007).

The fresh evidence in the case, which triggered Karti Chidambaram's arrest, was based on the statement of Indrani Mukerjea, former director of INX Media (P) Ltd, who recorded it under section 164 of the CrPC before a magistrate on February 17. (PTI)

DGCA grounds 11 A320 neo planes on Pratt & Whitney engine woes

NEW DELHI, MAR 12/--/ Aviation regulator DGCA today grounded 11 A320 neo aircraft powered by a certain series of Pratt & Whitney engines following instances of engine failures during flights.

Of these, 8 are operated by IndiGo and 3 by GoAir.

The decision comes hours after an A320 neo aircraft of IndiGo suffered engine failure mid-air and made an emergency landing at Ahmedabad airport.

Citing safety of aircraft operations, the DGCA said, A320 neos fitted with PW1100 engines beyond ESN 450 have been grounded with immediate effect.

"Both IndiGo and GoAir have been told not to refit these engines, which are spare with them in their inventory," the Directorate General of Civil Aviation (DGCA) said in a release. The regulator would be in touch with the stakeholders and review the situation in due course and when the issue is addressed by European regulator EASA and P&W, it added.
