Sensex crashes 550 pts on rupee woes, rising crude concerns

MUMBAI, OCT 3 /--/ The BSE benchmark Sensex plunged over 550 points Wednesday to slip below the 36,000-mark on heavy selling in IT, auto and telecom stocks, after the rupee collapsed to a new life-time low amid surging crude oil prices.

After a weak start, The BSE 30-share barometer plummeted below the 36,000-mark to hit a low of 35,911.82, finally settling 550.51 points, or 1.51 per cent, down at 35,975.63. The gauge had gained 299 points in the previous session Monday after the Reserve Bank of India (RBI) announced measures to shore up liquidity. The NSE Nifty, too, stayed in the negative terrain through the session and hit a low of 10,843.75, finally ending 150.05 points, or 1.36 per cent, lower at 10,858.25. Market cracked as rupee hit a new low due to increase in oil prices and concern over balance of payment, said Vinod Nair, Head of Research, Geojit Financial Services. "Despite government's plan to cut borrowing in H2FY19, yields continued to increase due to rate hike expectation from RBI.

Sentiment for equity has turned tepid given heightened volatility in the domestic and global financial markets," he added. According to market analysts, the outcome of RBI monetary policy, which is scheduled Friday, will provide further direction to the markets. The three-day RBI policy review began Wednesday, and the Monetary Policy Committee (MPC) is expected to go for a 25 basis points hike. The rupee breached the 73-mark for the first time to hit an all-time low of 73.41 (intra-day) against the US dollar. Meanwhile, Brent crude oil near USD 85 a barrel. In the Sensex pack, M&M was the biggest loser, tumbling by 6.66 per cent, followed by TCS dropping 4.14 per cent. Other laggards include Axis Bank, ICICI Bank, Maruti Suzuki, Kotak Bank, Infosys, Bharti Airtel, Hero MotoCorp, Reliance Industries, Asian Paint, PowerGrid, HUL, Wipro, Sun Pharma, SBI, NTPC, Tata Motors, ITC, Tata Steel, IndusInd Bank, HDFC Bank, Adani Ports, and L&T, falling up to 3.91 per cent.

On the other hand, Yes Bank continued its recovery for the second straight session and emerged top gainer in the Sensex kitty by surging 5.79 per cent, followed by Vedanta rising 3.09 per cent, Coal India 1.60 per cent, ONGC 1.45 per cent and Bajaj Auto 0.16 per cent.

VFS in talks with merchant bankers for IPO

KOLKATA, OCT 3 /--/ City-based micro-finance institution Village Financial Services (VFS) is in talks with merchant bankers and legal advisers for its proposed IPO next year. The exact quantum of the public offer and the extent of dilution of stake would be decided at the next board meeting, a company spokesman said.

Oil price of $65-$75 per barrel would 'suit' Russia: Putin

MOSCOW, OCT 3 /--/ Russian President Vladimir Putin on Wednesday said an oil price of USD 65 to USD 75 per barrel would "suit" Moscow, as oil prices soared this week to reach their highest level since November 2014. "A price of 65 to 75 per barrel would suit us. This would be completely normal to ensure the efficient functioning of energy companies and the investment process," the Russian leader told an energy forum in Moscow.(AFP)

Gold tops Rs 32k-mark on global cues

NEW DELHI, OCT 3 /--/ Gold surged by Rs 555 to reach Rs 32,030 per 10 gram at the bullion market Wednesday, taking positive leads from global markets amid fresh buying by local jewellers. Silver too went past the Rs 39,000-per kg mark on increased offtake by industrial units and coin makers. Traders said sentiment turned upbeat on positive global cues, as demand picked up after the US and Canada reached an agreement to salvage a North American free trade deal. Besides, the rupee collapsing to a fresh life-time low of 73.41 against the dollar (intra-day), making imports costlier, too supported the upside in gold prices, they added. Globally, gold rose 0.32 per cent to USD 1,207.60 an ounce in Singapore. In the national capital, gold of 99.9 per cent and 99.5 per cent purity soared by Rs 555 each to Rs 32,030 and Rs 31,880 per 10 gram, respectively. The precious metal had lost Rs 150 in the previous session on Monday. Market remained closed Tuesday on account of Gandhi Jayanti. Sovereign too rose in sympathy by gaining Rs 100 to trade at Rs 24,600 per piece of eight gram. In line with overall trend, silver ready gained Rs 450 to Rs 39,400 per kg and weekly-based delivery rose by Rs 460 to Rs 38,980 per kg. Silver coins, however, were unaltered at Rs 73,000 for buying and Rs 74,000 for selling of 100 pieces. (PTI)

Govt plans Bharat-22 ETF listing on an overseas exchange

NEW DELHI, OCT 3 /--/ The Union government is planning to list Bharat-22 ETF on an overseas stock exchange to unlock its value and raise foreign capital.

The government has already raised Rs 22,900 crore through two tranches of Bharat-22 Exchange Traded Fund (ETF) in the domestic markets. There have been some initial discussions on whether Bharat-22 ETF can tap the overseas markets, an official told PTI. After the government decides on an overseas listing, the investment bankers would assess investor demand and a final call would then be taken on which stock exchange the ETF is to be listed, the official said. Launched in 2017-18 fiscal, the Bharat-22 ETF, consist of 16 central public sector enterprises (CPSEs), three PSU banks and three private sector companies ITC, L&T and Axis Bank where Specified Undertaking of Unit Trust of India (SUUTI) holds stake.

Bharat-22 ETF basket is diversified and there should be investor demand in overseas market, the official added. The state-owned companies or PSUs that are part of the new Bharat ETF-22 include ONGC, IOC, SBI, BPCL, Coal India and Nalco. The other central public sector enterprises on the list are Bharat Electronics, Engineers India, NBCC, NTPC, NHPC, SJVNL, GAIL, PGCIL and NLC India. Only three public sector banks -- SBI, Indian Bank and Bank of Baroda -- figure in the Bharat-22 index. The official said the ETF route is a safer mode of disinvestment as it shields investors against stock market volatility. Currently, Indian companies can list abroad through American Depository Receipts or Global Depository Receipts. Through the first tranche of Bharat-22 ETF the government had raised Rs 14,500 crore in November 2017.

While, through the second tranche in June 2018, it mopped up Rs 8,400 crore. In the current fiscal, the government has set a target of Rs 80,000 crore to be raised through PSU disinvestment, as against Rs 1.03 lakh crore raised in 2017-18 fiscal.

Rupee crashes below record 73 mark, ends lower by 43 as oil prices spike

MUMBAI, OCT 3 /--/ The rupee Wednesday plunged by 43 paise to breach the historic low of 73 level as soaring crude oil prices fuelled worries over capital outflows and widening current account deficit.

The domestic currency closed at a record low of 73.34, down by 43 paise or 0.59 per cent at the interbank foreign exchange here. In the day trade, the rupee crashed to its all-time low of 73.42 per dollar as crude oil prices breached the USD 85 per barrel mark, leading to huge outflows of cash.

Investors remained concerned over sustained foreign capital outflows and soaring crude oil prices, analysts said. After breaching the US 85 per barrel level, the benchmark Brent crude stayed near four-year high levels at USD 84.86 per barrel.
