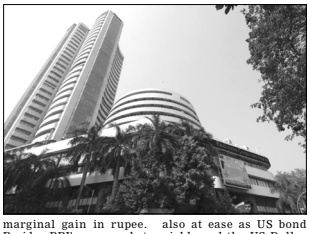
# Markets stage relief rally; banking, auto stocks lead



**MUMBAI, OCT 10 /--/** Benchmark indices staged a strong comeback Wednesday after the recent rout as investors accumulated battered financials, auto and metal stocks amid rupee recovery from record lows.

The BSE Sensex, after a gap up opening of 34,493.21, rallied to hit a high of 34,858.35 before ending 461.42 points, or 1.35 per cent, higher at 34,760.89. The broader Nifty too reclaimed the key 10,400 mark. It touched a high of 10,482.35, before finally settling at 10,460.10, showing a significant gain of 159.05 points, or 1.54 per cent. Key indices stayed in the positive terrain through the session as buying activity gathered momentum. The Sensex had lost nearly 175 points Tuesday. Sentiment also got a lift after the SBI, coming to the rescue of cash-strapped NBFCs, decided Tuesday to buy their assets to the tune of Rs 45,000 crore, a move that will provide liquidity support to non-banking financing companies (NBFCs) facing headwinds after a series of loan defaults by IL&FS group firms. "The market turned positive from over sold region led by financial stocks and marginal gain in rupee. Besides, RBI's open market operation to buy government bonds will ease concerns about liquidity crunch in the system," Vinod Nair, Head of Research, Geojit Financial Services said. According to Rohit Srivastava, Fund Manager PMS, Sharekhan by BNP Paribas, the strongs, which should provide some respite to the equity markets," Sunil Sharma, Chief Investment Officer, Sanctum Wealth Management. Benchmarks largely benefited from value buying in beaten-down stocks, led by Maruti Suzuki, Tata Steel, Yes Bank and SBI amid a better trend at other Asian markets, traders said. (PTI)

also at ease as US bond yields and the US Dollar cooled off yesterday. If the pressure remains lifted then these gains may continue in the coming days, Srivastava added. Meanwhile, Brent crude, the international benchmark, was hovering around USD 84.30 a barrel.

"All eyes are shifting to earnings, which should provide some respite to the equity markets," Sunil Sharma, Chief Investment Officer, Sanctum Wealth Management. Benchmarks largely benefited from value buying in beaten-down stocks, led by Maruti Suzuki, Tata Steel, Yes Bank and SBI amid a better trend at other Asian markets, traders said. (PTI)

# Rupee rebounds from lifetime lows, gains 18 paise

**MUMBAI, OCT 10 /--/** The rupee snapped its six-session losing streak to end 18 paise higher at 74.21 against the US dollar Wednesday after the American currency weakened overseas. At the Interbank Foreign Exchange (Forex), the domestic unit opened higher at 74.18 and advanced to 74.05 on fresh dollar selling by exporters amid weakness in the greenback against some currencies overseas. However, the rupee erased some gains and finally settled for the day at 74.21 -- up by 18 paise, registering its first rise after sixth straight sessions of losses. On Tuesday, the rupee tumbled 33 paise to finish at a fresh lifetime low of 74.39 against the US dollar. Traders said a relief rally in domestic equity markets also boosted sentiment. The BSE Sensex Wednesday settled for the day at 34,760.89, higher by 461.42 points, or 1.35 per cent. The broader Nifty too reclaimed the key 10,400 mark. It finished at 10,460.10, showing a significant gain of 1.54 per cent. Traders said RBI's decision to inject Rs 12,000 crore liquidity into the system through purchase of government bonds on October 11 to meet the festival season demand for funds supported the recovery in rupee.

# Gold sparkles on festive demand, rises by Rs 200

**NEW DELHI, OCT 10 /--/** Gold prices spurted by Rs 200 to Rs 31,850 per 10 grams on increased buying by jewellers and retailers at the bullion market Wednesday following beginning of auspicious week of 'Navratri'.

A weak trend overseas, however, capped the gains. Silver remained weak and traded RS 50 lower at Rs 39,200 per kg due to slackened demand from industrial units and coin makers. Bullion traders said increased buying by local jewellers as well as retailers, driven by beginning of festive demand in domestic spot markets led to the rise in gold prices.
