Sensex rallies 267 Pts

Bank, auto stocks in limelight

MUMBAI, JULY 4 /--/ The BSE Sensex Wednesday rose by nearly 267 points to hit a near two-week high of 35,645.40 on bouts of buying towards the fag-end of the session, mainly in bank and auto shares, after the Centre hiked MSP for most kharif crops.

The benchmark index moved in a narrow range for most part of the day due to weak global cues amid concerns related to trade tariff spat and macro-economic conditions but the late buying in some key sector stocks helped the Sensex come out of range-bound trading. Consistent buying by domestic institutional investors and encouraging services PMI data for June also helped in lifting trading sentiment. In a major fillip to the farm sector, the government today approved a steep hike in the minimum support price (MSP) of 14 kharif crops, which will cost the exchequer more than Rs 15,000 crore.

"After an insipid start, the market gained momentum on account of better auto sales and government's announcement of increase in MSP. Rural income and spending power will increase due to higher minimum price and progressing monsoon which may result in higher demand for consumption oriented stocks...," Vinod Nair, Headof Research, Geojit Financial Services Ltd, said. Meanwhile, the services sector returned to growth during June and registered the fastest rate of expansion in a year, supported by robust increase in new business orders, said a monthly survey. The BSE 30-share Sensex started on a positive note at 35,385.52 and advanced to the day's high of 35,667.31 before ending at 35,645.40 -- a near two-week high -- up 266.80 points, or 0.75 per cent. The 30-share BSE gauge closed at 35,689.60 on June 22, 2018. The Sensex Wednesday touched the day's low of 35,309.67. It had gained 114.19 points in the previous session. The NSE Nifty, after hitting a high of 10,777.15, closed at 10,769.90, up 70 points, or 0.65 per cent. It touched a low of 10,677.75 intra-day. Meanwhile, on a net basis, domestic institutional investors (DIIs) bought shares worth Rs 278.84 crore, while foreign portfolio investors (FPIs) sold equities worth Rs 1,043.31 crore on Tuesday, provisional data showed.

RBI grants licence to Bank of China to set up branch in India

NEW DELHI, JULY 4 /--/ The Reserve Bank of India has issued licence to Bank of China to launch operations in India, official sources said on Wednesday. Prime Minister Narendra Modi had made a commitment to Chinese President Xi Jinping to allow Bank of China to set up branches in India when they met on the sidelines of the SCO summit in Chinese city of Qingdao last month.

"The RBI has issued licence to Bank of China to set up its first branch in India. It was a commitment made by the Prime Minister to the President of China," said a source. Bank of China is one of the very few state-owned commercial banks in China. India and China have been focusing on expanding their economic ties notwithstanding differences on several sticky issues including on the boundary dispute. After last year's Doklam standoff, both the countries have stepped up dialogue at various levels to reset the ties. Meanwhile, the sources said Chinese Defence Minister Wei Fenghe is scheduled to visit India soon and both sides are in the process of finalising the dates.

ICICI Bank aims to grow home loan book to Rs 2tln by FY20

MUMBAI, JULY 4 /--/ ICICI Bank Wednesday said its mortgage loan portfolio crossed the Rs 1.5-trillion milestone, making it the largest private player in the segment, and the lender is targeting to grow it to Rs 2 trillion by FY20. At Rs 1.5 trillion, the mortgage loan-book is half of the bank's overall retail loan portfolio of around Rs 3 trillion, the bank said.

"We are not only the largest private sector bank but also the largest mortgage player among our peers with a Rs 1.5-trillion loan book. And we hope to grow this to Rs 2 trillion, clipping annually at 15 per cent by FY20," said Anup Bagchi, executive director, ICICI Bank. He further said mortgage book is half of its Rs 3 trillion retail assets, which constitute 52 per cent of its total assets of USD 172.5 billion. ICICI Bank has been under probe by multiple central agencies since March for alleged wrongdoings in extending loan to now-bankrupt Videocon group by its managing director Chanda Kochhar, who has since been asked to go on leave till a probe is over. Basing his optimism of clocking higher growth on the PM's Awas Yojna, Bagchi said most of the growth in coming in from tier II and III towns as the average ticket size is only a tad above Rs 30 lakh. When asked about the assets quality, he said there is nothing to worry on this front, and without quantifying claimed it to be one of the lowest in the industry.

"In fact, our mortgage portfolio, which includes loan against property (LAP) also, is has very low credit cost," he said, adding in the LAP segment it is given against cashflow and other collaterals as well.

RBI to banks: Ensure equitable credit to minorities in 121 districts

MUMBAI, JULY 4 /--/ The Reserve Bank (RBI) Wednesday directed banks to ensure that minorities in 121 identified districts receive a fair and equitable portion of credit within the overall target of the priority sector lending.

The RBI said the government has forwarded a list of 121 minority concentration districts having at least 25 per cent minority population, excluding those States/UTs where minorities are in majority (Jammu and Kashmir, Punjab, Meghalaya, Mizoram, Nagaland and Lakshadweep). Sikhs, Muslims, Christians, Zoroastrians, Buddhists and Jains have been notified as minority communities by the Union government. All commercial banks are required to ensure that within the overall target for priority sector lending and the sub-target of 10 per cent for the weaker sections, sufficient care is taken to ensure that minority communities also receive an equitable portion of the credit.

"... all scheduled commercial banks are requested to specially monitor the credit flow to minorities in these 121 districts, thereby, ensuring that the minority communities receive a fair and equitable portion of the credit within the overall target of the priority sector," the RBI said in updated Master Circular-Credit Facilities to Minority Communities.

It further said the Lead Bank in each of the minority concentration districts should have an officer who shall exclusively look after the problems regarding the credit flow to minority communities. One of the major aims of the Prime Minister's 15-Point Programme for the welfare of minorities is to ensure that an appropriate percentage of the priority sector lending is targeted for minority communities. In all there are 716 districts in India. (PTI)

SC asks JAL to deposit Rs 600cr to refund money to homebuyers

NEW DELHI, JULY 4 /--/ The Supreme Court Wednesday suggested that the realty firm Jaiprakash Associates Limited (JAL) should pay Rs 600 crore, instead of Rs 1,000 crore ordered earlier, to refund the principal amount to the hassled home buyers. A bench headed by Chief Justice Dipak Misra asked senior advocate F S Nariman, representing JAL, to take instruction from JAL on depositing Rs 600 crore with the apex court registry.

It said that after the amount is deposited, it would ask the National Company Law Tribunal (NCLT) at Allahabad to expeditiously decide the firm's plea on revival or restructuring of its subsidiary firm -- Jaypee Infratech Limited (JIL). The bench, which also comprised Justices A M Khanwilkar and D Y Chandrachud, had on May 16 directed JAL to deposit 1,000 crore by June 15, in addition to Rs 750 crore already deposited, by June 15 to provide refunds to the home buyers who had wished to opt out of its various housing schemes.

"This case (of home buyers) can be disposed off if they (JAL) deposit Rs 600 crore for refund of the principal amount. We will ask the NCLT to decide the company petition (of JAL)," the bench said. The court also made it clear that it would deal with the issue of refund of money to only those home buyers who do not want possession of their homes.

On being informed that Rs 750 crore has already been deposited with the apex court and another Rs 600 crore would be required to pay the principal amount to home buyers, the court asked the realty firm to "establish its bonafide" by paying the money.
