Sensex slides 145 pts as geo-political worries build

MUMBAI, APRIL 12 /--/ A build-up in tension linked to geo-political developments gave markets the blues on Wednesday as the Sensex lost 145 points at 29,643 while domestic investors sat tight ahead of start of the corporate earnings season.

Industrial output data for February and retail inflation for March, slated for release after the market hours, heightened the sense of uncertainty. After starting higher, the 30-share Sensex slipped into negative territory before settling down 144.87 points, or 0.49 per cent at 29,643.48. The gauge had bounced 213 points in the previous session. The 50-issue NSE Nifty ended lower by 33.55 points, or 0.36 per cent, at 9,203.45 after cracking below 9,200. Sentiment soured over rising military heat in the Middle East and the Korean peninsula following last week's US strike against Syria and sabre-rattling by the US and North Korea, which pushed investors to safer assets like gold, treasuries and the yen. The rupee weakness against the dollar fed negative mood. Caution also prevailed ahead of the March quarterly earnings with IT behemoth Infosys set to unveil its numbers on Thursday.

"Rising geopolitical tensions continued to stoke risk aversion, with investors approaching markets with a muted stance," said Karthikraj Lakshmanan, Senior Fund Manager, Equities, BNP Paribas Mutual Fund. The broader markets too felt the heat, with BSE small-cap and mid-cap indices registering a fall. Extending the previous day's sharp losses, Adani Power on Wednesday fell 9.01 per cent after the Supreme Court ruled that the power discoms cannot charge "compensatory tariff" on costlier import. However, Tata Power after moving both ways ended 0.06 per cent higher. In the previous session, they had crashed by up to 16 per cent. Foreign funds net sold INR 750 crore on Tuesday, as per provisional figures. The hardest hit is Tata Steel, which fell 2.12 per cent. Others that lost heavily include Adani Ports, Wipro, GAIL and Tata Motors. Of the 30-share Sensex pack, 20 ended lower while 10 gained.

Jail term for ex-bank officials in 1992 securities scam

MUMBAI, APRIL 12 /--/ A special CBI court here convicted four former bank officials in one of the multi-crore securities scam cases and sentenced them to three years imprisonment, 25 years after the scam involving 'Big Bull' Harshad Mehta came to the fore.

The securities scam rocked the BSE and other stock exchanges in 1992. Mehta, the kingpin of the scam, passed away in 2001. On Tuesday, Special Judge H S Mahajan convicted M S Srinivasan (former funds manager of State Bank of Saurashtra), Vinayak Deosthali (Former Assistant Manager of UCO bank), R Sitaraman (official from SBI's security wing) and P A Karkhanis (former senior manager, UCO Bank). The four officials were charged with corruption, criminal breach of trust and falsification of books of accounts and eventually benefiting the deceased stock broker. The court also imposed a fine of Rs 5,000 on each of them. However, after conviction, the court granted bail to them then approach higher courts. According to prosecution, in 1991 all banks were required to keep percentage of their deposits with RBI on a fortnightly basis called as Cash Reserve Ratio. Also, each of the banks were required to invest its deposits in securities called as Statutory Liquidity Ratio. To maintain CRR and SLR the banks could borrow or lend from each other in the call market without the involvement of brokers or third party. The CBI said that State Bank of Saurashtra, DN Road branch and UCO bank, Hamam Street branch, were authorised for such transactions. The officials of these two banks under the guise of Call money Lending Transactions (CMLT) debited and credited personal accounts of Mehta in UCO Bank. The probe agency also alleged that Srinivasan and others in conspiracy with Mehta parted with a sum of aggregating Rs 198 crores of State Bank of Saurashtra (to Mehta) by falsely recording various callmoney lending transactions, showing counterparty as UCO Bank. The court acquitted one P S Gokhale, while the case against Mehta and M V Shidhaye, also named as accused, was abated as they died during the trial.

NOTICE INVITING QUOTATION

Tender is being invited by the undersigned from the eligible contractors. For work as follows :- WBPWD/ EE/ PMED/ NIQ-02/e-T/2017-2018
N.W. :- Comprehensive yearly maintenance work round the clock for the Administrative Building, Residential Building of EFR, 1stand 2nd & 3rd Battalion including Street lighting at Salua in the district of Paschim Medinipur. w.e.f. 01.05.2017 to 30.04.2018
During office hours & from website : **www.pwdwb.in**
Tender ID : **2017_WBPWD_108616_1**
Bid submission End date (online) : 21.04.2017 upto 3.00PM.
Opening of Bid (online) : 24.04.2017 after 1.00 PM.
Executive Engineer
Paschim Medinipur
Electrical Division, P.W. Dte.

Notice Inviting Tender No. WBPWD/EE/KED/NIT-02/2017-18, WBPWD/EE/KED/NIT-03/2017-18 & NIQ- 01 of 2017-18 of E.E. KOLKATA EAST DIVISION, PWD

Tender are invited by Executive Engineer, PWD, Kolkata East Division from bonafied outsider having credential of same nature of work for above mentioned NITs'.
Bid Submission Closing date of WBPWD/EE/KED/NIT-02 is 22.04.2017
Bid Submission Closing date of WBPWD/EE/KED/NIT-03 is 25.04.2017
Last date of application of NIQ No. 01 of 2017-18 is 19.04.2017
Further Corrigendum and addendum, if issued, will be published only on departmental web site.
All other details are available in etender.wb.nic.in & www.pwdwb.in as well as in this office notice

Sd/-
Executive Engineer, PWD
Kolkata East Division.

Tighter capital norms to spawn consolidation among ARCs: Report

MUMBAI, APRIL 12 /--/ The recent tightening of ARCs' capital requirements will lead to consolidation in the industry and that bigger players stand to benefit from the move, says a report.

The Reserve Bank last week increased the net-owned funds for asset reconstruction companies (ARCs) to Rs 100 crore from a meagre Rs 2 crore. Last April it had increased the upfront payment requirement to 15 per cent of the asset value from 5 per cent. Crisil believes these are among a series of steps taken by RBI to strengthen the ARC ecosystem that will attract players with deep pockets, enhance transparency in asset sales, improve recoveries and open up scope for consolidation.

Given the thicket of rule changes, larger ARCs will be on a firmer footing, especially those backed by strong promoter groups with the ability and intent to infuse capital, and relatively better capability to attract capital from external sources as 100 per cent foreign direct investment is permitted in the sector, says the report. The ability and intent of promoters and investors in smaller ARCs to infuse capital will be a monitorable and would potentially be a catalyst of consolidation. According to Crisil, of the 23 ARCs, six are comfortable in terms of the revised net-owned funds requirement and other stringent norms. But those struggling to infuse capital or raise external funds and lacking in specialist manpower will get marginalised further.

"The top five players (Edelweis, JM Financial, Arcil, Kotak etc) account for around 90 per cent of total assets under management. With tighter regulations, we believe their market share will consolidate further and smaller ones may merge with larger rivals, or they could become takeover targets for large private equity investors and stressed asset funds wishing to enter the business," the report said.

It can be noted that from April 1, 2017, the RBI has increased the provisioning requirement for banks investing over 50 per cent of the value of stressed assets (the limit subsequently to be reduced to 10 per cent from April 2018) sold by them in the security receipts issued in lieu.

No documentary proof needed for GPF advance, withdrawal: Govt

NEW DELHI, APRIL 12 /--/ No documentary proof is required for getting advance or withdrawal from General Provident Fund (GPF), Union Minister Jitendra Singh Wednesday said. The government has with effect from March 7, 2017, simplified and liberalised the conditions for taking advance from the fund for education, illness and purchase of consumer durables.

"Conditions and procedures for withdrawal from the fund for the purpose of education, illness, housing, purchase of motor vehicles etc. have also been liberalised. "No documentary proof is required to be submitted now for advance and withdrawal applications. A simple declaration by the subscriber is sufficient," the minister said in a written reply to Lok Sabha. A time limit for sanction and payment of advance or withdrawal has also been fixed, said Singh, the Minister of State for Personnel. He said there is no proposal under consideration of the government to increase/link the rate of interest on GPF at parity with that of Employees' Provident Fund (EPF). "The interest rates on EPF are decided on the recommendations of the Central Board of Trustees taking into account the yearly income from the investment made by EPFO. The GPF interest rate is presently fixed at par with that of PPF interest rate," said Singh. (PTI)

RBI slaps fine on City Union Fin, Hinduja Leyland Fin

MUMBAI, APRIL 12 /--/ The Reserve Bank has imposed a penalty of Rs 20 lakh on Shriram City Union Finance and Rs 5 lakh penalty on Hinduja Leyland Finance for violating fair practices code guidelines. The regulator had conducted scrutiny of sample loan counts of Shriram City Union Finance during November 2015 and found it to be in violation of various provisions of Fair Practices Code guidelines. The RBI said it served a show cause notice to the company and also called for a personal hearing, but response to the notice was not satisfactory.

"After considering facts of ... RBI came to the conclusion that violations as observed during scrutiny were substantiated which warranted imposition of monetary penalty on the company. Accordingly, a penalty of Rs 20 lakh has been imposed on the company," the RBI said.

Cost old to file financial results via XBRL mode

MUMBAI, APRIL 12 /--/ Leading exchange BSE has directed all entities listed with it to make filings of financial results in XBRL mode within 24 hours of submission of results in the PDF mode. XBRL (eXtensible Business Reporting Language) is an electronic format for communication of business and financial data. It is a computer readable language having its own grammar and framework of rules.

"It has been decided that with effect from April 1, 2017 onwards, all listed entities with BSE, would be required to make their filings in respect of financial results...in XBRL mode within 24 hours of submission of results in PDF mode," the exchange said in a release.

The companies, it said, would need to file their financial results in pdf through the newly launched CAFS (Corporate Announcement Filing System) mode and follow this up with the XBRL filing within a maximum of 24 hours of submission of results through CAFS mode. Further, filings for other important regulations would also be converted into mandatory filing through XBRL. The bourse has also provided a tool free of cost to all listed companies to convert their data (excel) files into XBRL files.

"Encouraged by the response of listed companies in filing their results voluntarily in XBRL by using the exchange provided tools, it was decided to mandate the same for all results filed by companies," the exchange said. Earlier, BSE had asked all listed companies to file their disclosures regarding important listing regulations like shareholding pattern, corporate governance report and voting results in this format. The move was aimed at making reporting more accurate and more efficient.
